From America's most beloved superstar and its greatest storyteller--a thriller about a young singer-songwriter on the rise and on the run, and determined to do whatever it takes to survive. Every song tells a story. She's a star on the rise, singing about the hard life behind her. She's also on the run. Find a future, lose a past. Nashville is where she's come to claim her destiny. It's also where the darkness she's fled might find her. And destroy her. Run, Rose, Run is a novel glittering with danger and desire--a story that only America's #1 beloved entertainer and its #1 bestselling author could have created.

Recounts the author's experiences with the reclusive Tarahumara Indians, whose techniques allow them to run long distances with ease, and describes his training for a fifty-mile race with the tribe and a number of ultramarathoners.

#1 NEW YORK TIMES BESTSELLER In his final hours in office, the outgoing President grants a controversial last-minute pardon to Joel Backman, a notorious Washington power broker who has spent the last six years hidden away in a federal prison. What no one knows is that the President issues the pardon only after receiving enormous pressure from the CIA. It seems that Backman, in his heyday, may have obtained secrets that compromise the world ' s most sophisticated satellite surveillance system. Backman is quietly smuggled out of the country in a military cargo plane, given a new name, a new identity, and a new home in Italy. Eventually, after he has settled into his new life, the CIA will leak his whereabouts to the Israelis, the Russians, the Chinese, and the Saudis. Then the CIA will do what it does best: sit back and watch. The question is not whether Backman will survive—there is no chance of that. The question the CIA needs answered is, Who will kill him?
BONUS: This edition includes an excerpt from John Grisham's The Litigators.

NEW YORK TIMES BESTSELLER • From the bestselling author of Before We Were Yours comes a dramatic historical novel of three young women searching for family amid the destruction of the post – Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students ' lives. " An absorbing historical . . . enthralling. " —Library Journal Bestselling author Lisa Wingate brings to life startling stories from actual " Lost Friends " advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia ' s Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery ' s end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything.

(Easy Piano Personality). Easy arrangements of 17 of the very best from Sir Paul, including: Band on the Run * Ebony and Ivory * Freedom * Listen to What the Man Said * Live and Let Die * Maybe I'm Amazed * No More Lonely Nights * Say Say Say * Silly Love Songs * Take It Away * Uncle Albert/Admiral Halsey * With a Little Luck * and more.

Dreamdust-addicted lowlife Benno Tallant is the last hope of the Earth; John Stranger, a space steelworker, works in space station construction

Rewrites the old German folktale, Sleeping Beauty, into a story about the ramifications of the Holocaust.

The English in Mind Combos offer flexibility in a contemporary English course for teenagers. Each Combo contains eight Student's Book units with the corresponding Workbook material grouped into two modules, and offers approximately 40 to 45 hours of classwork. Clear learning objectives at the beginning of each module, plus 'Check your Progress' sections at the end, help students and teachers plan learning more effectively. There are free Audio CDs/CD-ROMs combining an interactive CD-ROM and audio material. The English in Mind Combos can be used with mixed-ability classes. Combo Starter A is for complete beginners. Combos 1A and 1B are for elementary students; 1A contains a 16-page starter section to review key language. Combos Levels 2A, 2B, 3A and 3B take students from pre-intermediate to intermediate level.
