Lachlan Goudie has become a familiar face on our TV screens; his BBC series The Story of Scottish Art caught the public mood.Goudie is an excellent broadcaster: fresh, intelligent and enthusiastic.

A fun and creative way to increase general well-being, improve concentration and self-awareness, and encourage relaxation in children aged 3-11, this book offers a hands-on guide to story massage. Central to the book are step-by-step, illustrated instructions for ten easy-to-learn basic strokes which are given through clothes on the back, head, shoulders and arms. These basic strokes have then been used to create over 25 story massages which vary in length and complexity. The stories range from traditional tales such as 'Humpty Dumpty' to hands-on learning stories such as 'Deep in the Rainforest.' The massages can be carried out by adults in one-to-one or group sessions, or taught to children to practice on each other. An enjoyable and interactive way of sharing the benefits and safe and appropriate use of positive touch with all children, this book will be of interest to parents and carers, bodyworkers, teachers and other school staff, care workers and arts therapists.

Presents a cautionary tale for mice that is written in nonsense verse.

Introduce your little one to fables and fairy tales from around the world with this spellbinding series of ebooks for children. Meet greedy King Midas who foolishly wishes for everything he touches to turn to gold in this charming retelling of the Greek myth. This story is the perfect length for bedtime reading, and Maja Andersen's colorful illustrations bring the magic and wonder of the tale to life. It is sure to be a storybook that little ones will treasure forever.

From #1 New York Times bestselling author comes a heartwarming, inspirational book to help readers understand their lives as one continuous, never-ending story, part of a grand narrative that God is writing day by day. God has a story for your life... With chapters that cover the importance of literary elements such as characters, setting, backstory, and conflict, Debbie Macomber uses the structure of a story to illustrate God's hand in our lives. Each chapter has a storytelling prompt—a searching question that will help frame our story—and a sidebar that pulls an idea out of the chapter and expands it with practical tips. Once Upon a Time shares Debbie's love of story and helps showcase the big picture of the story God is writing through us.

In Once Upon a Time: My Life with Children's Books Sheila Egoff tells the story of her working life, from her early voracious reading, through all her significant contributions to libraries in Canada and to our national understanding of our own literature for children. She brings both a critical eye and a personal touch to this book, which reads as a memoir and as an account of important developments in Canadian writing and librarianship. In this time of cuts to budgets for books and for librarians, there is much here to reflect upon.

When longtime illustrator and lover of power tools Lauren Scheuer was looking for a project, she got the idea to raise backyard chickens. Her husband and teenage daughter looked on incredulously as coop sketches and chicken-raising books filled their New England home. But when the chicks arrived, the whole family fell in love with the bundles of fluff and the wild adventures began. Once Upon a Flock: Life with My Soulful Chickens stars Scheuer's backyard chickens—with their big personalities, friendships, rivalries, and secrets—and the flock's guardian, Marky the terrier. The flock includes Hatsy, the little dynamo; Lil'White, the deranged and twisted Buff Orpington; Pigeon, the fixer-upper chicken; and Lucy, the special-needs hen who bonds with Lauren and becomes a fast friend. This charming story of Lauren's life with her quirky flock is filled with moments of humor and heartbreak: When Lucy is afflicted with a neurological disease, Lauren builds Lucy a special-needs coop. When Lucy's nesting instinct leads Lauren to act as a chicken midwife of sorts, Lauren hatches a chick in her home. And when Lucy's best friend Hatsy falls ill, Lauren finds an unlikely friend for Lucy in a chicken named Pigeon, who requires an emergency bath and blow-dry. Enthusiastically immersing herself in the world of her flock, Lauren discovers that love, loss, passion, and resilience are not only parts of the human experience, but of the chicken experience as well. Throughout it all, Lauren documents the laughter and drama of her flock's adventures with her own whimsical photos and illustrations. At once humorous, poignant, and informative, Once Upon a Flock is a feathered tale like no other.

From the instant #1 New York Times bestselling author of the "eerie and fascinating" (USA TODAY) The Thirteenth Tale comes a "swift and entrancing, profound and beautiful" (Madeline Miller, internationally bestselling author of Circe) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter's night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son's secret liaison stand ready to welcome their granddaughter. The parson's housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone's. Each family has mysteries of its own, and many secrets must be revealed before the girl's identity can be known. Once Upon a River is a glorious tapestry of a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is "a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing" (M.L. Stedman, #1 New York Times bestselling author of The Light Between Oceans).

A joyous short story collection by and about Muslims, edited by New York Times bestselling author Aisha Saeed and Morris finalist S. K. Ali Once Upon an Eid is a collection of short stories that showcases the most brilliant Muslim voices writing today, all about the most joyful holiday of the year: Eid! Eid: The short, single-syllable word conjures up a variety of feelings and memories for Muslims. Maybe it's waking up to the sound of frying samosas or the comfort of bean pie, maybe it's the pleasure of putting on a new outfit for Eid prayers, or maybe it's the gift giving and holiday parties to come that day. Whatever it may be, for those who cherish this day of celebration, the emotional responses may be summed up in another short and sweet word: joy. The anthology will also include a poem, graphic-novel chapter, and spot illustrations. The full list of Once Upon an Eid contributors include: G. Willow Wilson (Alif the Unseen, Ms. Marvel), Mena Khan (Amina's Voice, Under My Hijab), N. H. Senzai (Shooting Kabul, Escape from Aleppo), Hanna Alkaf (The Weight of Our Sky), Rukhsana Khan (Big Red Lollipop), Randa Abdel-Fattah (Does My Head Look Big in This?), Ashley Franklin (Not Quite Snow White), Jamiyah Thompkins-Bigelow (Mommy's Khimar), Candice Montgomery (Home and Away, By Any Means Necessary), Huda Al-Marashi (First Comes Marriage), Ayesha Mattu, Asmaa Hussein, and Sara Alfageeh.

Introduce your little one to fables and fairy tales from around the world with this spellbinding series of ebooks for children. Meet Tiddalik, the thirsty frog who drank all the water in the land. What will the other animals do? And will the thirsty frog ever learn to share? This charming retelling of the Aboriginal Australian story is the perfect length for bedtime reading and Maja Andersen's colorful illustrations bring the magic and wonder of the tale to life. It is sure to be a storybook that little ones will treasure forever.
