KLF-2012: Miracle Man (11.2.2012) 50 Years Celebration Message by Mohammad Hanif ~~Our Lady Of Alice Bhatti~~

Just like Mohammed Hanif's previous offering (A Case of Exploding Mangoes), Our Lady of Alice Bhatti is a tragicomic cross between Joseph Heller's Catch-22 and Jane Austen's Pride & Prejudice. It's like I read this book around the same time protests broke out in Delhi over the gang-rape of a female medical student on a public bus.

~~Our Lady of Alice Bhatti by Mohammed Hanif~~

"Our Lady of Alice Bhatti" is a riff on Pakistan's brutal oppression of women as seen through the brief life of a hospital nurse from one of Karachi's slums. It is cleverly structured and somehow Hanif manages to leaven his tale with dark humor. As I said, I don't know how Hanif does it. This novel is brilliant.

~~Mohammed Hanif: OUR LADY OF ALICE BHATTI | Daily Mail Online~~

“ Life has taught Alice Bhatti that every little step forward in life is preceded by a ritual humiliation. Every little happiness asks for a down payment. Too many humiliations and a journey that goes in circles means that her face is permanently in the red. She accepts that role. 'I'll do my best'. ” Mohammed Hanif, Our Lady of Alice Bhatti

~~Our Lady of Alice Bhatti Quotes by Mohammed Hanif~~

In Our Lady of Alice Bhatti, Mohammed Hanif discusses the relationships among gender, caste and religion in modern Pakistan through Alice Bhatti. Alice is a Catholic nurse working at a corrupt Karachi hospital, Sacred Heart Hospital for All Ailments. She is the daughter of a Catholic chuhra - Joseph Bhatti, who travels the city curing ulcers by reciting Muslim prayers when he is not cleaning the sewers as a lower-caste worker. While coming to work as a junior nurse at the hospital, Alice ...

~~Amna Khalid's Blog: Feminism in Our Lady of Alice Bhatti.~~

Nurse Alice Bhatti is an attractive, lithe young Catholic nurse, recently released on bail from the Borstal Jail for Women and Children where she was sent for bashing a famous surgeon with a flowerpot and nearly killing him.

~~Book Review: Our Lady of Alice Bhatti | Newslite~~

In his second novel, Our Lady of Alice Bhatti, Mohammed Hanif explores the relationships among caste, gender, and religion in modern Pakistan through his protagonist, Alice Bhatti. Alice is a Catholic nurse at a corrupt and crumbling Karachi hospital, Sacred Heart Hospital for All Ailments, and the daughter of a Catholic chuhra who travels the city curing ulcers by reciting Muslim prayers when he is not cleaning the sewers as a lower-caste worker.

“ Our Lady of Alice Bhatti ” is a highly admired novel by Muhammad Hanif with reference to the presentation of women as an exploited community in a male dominated society.

From the author of the universally acclaimed debut novel A Case of Exploding Mangoes: a subversive, often shockingly funny new novel set in steaming Karachi, about second chances, thwarted ambitions, and love in the most unlikely places. The patients of the Sacred Heart Hospital for All Ailments need a miracle, and Alice Bhatti may be just what they're looking for.

She's the new junior nurse, but that's the only thing ordinary about her. Her father is a part-time healer in the French Colony, Karachi's Christian slum--and it seems she has inherited his part-time gift. With a bit of begrudging but inspired improvisation, Alice brings succour to the patients lining the hospital's corridors. Yet, a Christian in an Islamic world, she is ensnared in the red tape of hospital bureaucracy, trapped by the caste system, and torn between her duty to her patients, her father, and her husband--an apprentice to the nefarious "Gentlemen's Squad" of the police, and about to plunge them both into a situation so dangerous that perhaps not even a miracle can save them. But, of course, Alice Bhatti is no ordinary nurse...

Alice Bhatti has just come out of prison and is looking for a second chance. She ' s hungry, tough, and full of fight, but being a Catholic choohra in Karachi means she also needs good luck. A lot of it. Alice ' s prayers are answered when she gets a job as Junior Nurse at the Sacred Heart Hospital, a squalid public hospital full of shoot-out victims and homeless drug addicts. There she meets Teddy Butt, a trigger happy, ex-body builder, and a part-time goon for the police. The two could not be further apart and that ' s why they fall in love—Teddy with sudden violence, Alice in cautious hope. How will their unlikely romance end? In *A Case of Exploding Mangoes*, Mohammed Hanif tore into the corruption of the army and General Zia ' s dictatorship; in this novel he draws a dark and compelling portrait of Pakistan today where killers fall in love and lovers are forced to make impossible choices. Written with savage humour and in sizzling prose, *Our Lady of Alice Bhatti* is a tour de force from one of the most brilliant young writers today.

The patients of the Sacred Heart Hospital for All Ailments in Karachi are looking for a miracle. Junior nurse, ex-prisoner and part-time healer Alice Bhatti is looking for a job. With guidance from the working nurse's manual, and some tricks she picked up in prison, Alice starts work at the crowded hospital bringing help to the thousands of patients littering the corridors. But her new life isn ' t easy and on top of everything else Alice impulsively falls for optimistic and loveable good Teddy Butt - a ragtag law enforcement officer by night and a bodybuilder by day. Can Alice and Teddy live happily ever after? Will the hospital accept her unorthodox ways? It all seems unlikely, but then Alice Bhatti is no ordinary nurse and this is downtown Karachi where the unusual is ordinary ...

In August 1988, Zia gets into the presidential plane, Pak One, which explodes midway. Who killed him? The army generals growing old waiting for their promotions, the CIA, the ISI, RAW, or Ali Shigri, a junior officer at the military academy whose father, a whisky-swilling jihadi colonel, was murdered by the army? *A Case of Exploding Mangoes* is sharp, black, inventive, and utterly gripping. It marks the debut of a brilliant new writer.

This “ splendidly satirical novel ” by the award-winning Pakistani author “ beautifully captures the absurdity and folly of war and its ineluctable impact ” (Booklist, starred review). An American pilot crash lands in the desert and finds himself on the outskirts of the very camp he was supposed to bomb. After days spent wandering and hallucinating from dehydration, Major Ellie is rescued by one of the camp ' s residents, a teenager named Momo, whose money-making schemes are failing while his family falls apart. His older brother left for his first day of work at an American base and never returned; his parents are at each other ' s throats; his dog is having a very bad day; and a well-meaning aid worker has shown up wanting to research him for her book on the Teenage Muslim Mind. To escape the madness, Momo sets out to search for his brother, and hopes his new Western acquaintances might be able to help find him. But as the truth of Ali ' s whereabouts begin to unfold, the effects of American “ aid ” on this war-torn country are revealed to be increasingly pernicious. In *Red Birds*, acclaimed author Mohammed Hanif reveals critical truths about the state of the world with his trademark wit and keen eye for absurdity.

"Mr. Hamid reaffirms his place as one of his generation's most inventive and gifted writers." – Michiko Kakutani, *The New York Times* "A globalized version of *The Great Gatsby* . . . [Hamid's] book is nearly that good." – Alan Cheuse, NPR "Marvelous and moving." – *TIME Magazine* From the internationally bestselling author of *The Reluctant Fundamentalist* and *Exit West*, the boldly imagined tale of a poor boy ' s quest for wealth and love His first two novels established Mohsin Hamid as a radically inventive storyteller with his finger on the world ' s pulse. *How to Get Filthy Rich in Rising Asia* meets that reputation—and exceeds it. The astonishing and riveting tale of a man ' s journey from impoverished rural boy to corporate tycoon, it steals its shape from the business self-help books devoured by ambitious youths all over “ rising Asia. ” It follows its nameless hero to the sprawling metropolis where he begins to amass an empire built on that most fluid, and increasingly scarce, of goods: water. Yet his heart remains set on something else, on the pretty girl whose star rises along with his, their paths crossing and recrossing, a lifelong affair sparked and snuffed and sparked again by the forces that careen their fates along. *How to Get Filthy Rich in Rising Asia* is a striking slice of contemporary life at a time of crushing upheaval. Romantic without being sentimental, political without being didactic, and spiritual without being religious, it brings an unflinching gaze to the violence and hope it depicts. And it creates two unforgettable characters who find moments of transcendent intimacy in the midst of shattering change.

From the author of the award-winning *Moth Smoke* comes a perspective on love, prejudice, and the war on terror that has never been seen in North American literature. At a café table in Lahore, a bearded Pakistani man converses with a suspicious, and possibly armed, American stranger. As dusk deepens to night, he begins the tale that has brought them to this fateful meeting. . . Changez is living an immigrant ' s dream of America. At the top of his class at Princeton, he is snapped up by Underwood Samson, an elite firm that specializes in the “ valuation ” of companies ripe for acquisition. He thrives on the energy of New York and the intensity of his work, and his infatuation with regal Erica promises entrée into Manhattan society at the same exalted level once occupied by his own family back in Lahore. For a time, it seems as though nothing will stand in the way of Changez ' s meteoric rise to personal and professional success. But in the wake of September 11, he finds his position in his adopted city suddenly overturned, and his budding relationship with Erica eclipsed by the reawakened ghosts of her past. And Changez ' s own identity is in seismic shift as well, unearthing allegiances more fundamental than money, power, and perhaps even love. Elegant and compelling, Mohsin Hamid ' s second novel is a devastating exploration of our divided and yet ultimately indivisible world. “ Excuse me, sir, but may I be of assistance? Ah, I see I have alarmed you. Do not be frightened by my beard: I am a lover of America. I noticed that you were looking for something; more than looking, in fact you seemed to be on a mission, and since I am both a native of this city and a speaker of your language, I thought I might offer you my services as a bridge. ” —from *The Reluctant Fundamentalist*

When Ashwin, a wealthy Delhi boy, meets Lallan, a struggling student from Patna looking to make his fortune, their friendship, with their mutual love for the almond-eyed Mallika, seems to transcend the fault lines of class and privilege. But one night at a party, a fateful incident leads their worlds to unravel with consequences that change both their lives forever, and expose the deep turmoil inherent in the frenetic energy of the new, aspiring India. An audacious debut, *Fire Under Ash* marks the arrival of Indian fiction's latest star, who takes a coruscating look at Delhi's beauty and brutality, writing the city as we've never read it before.

*Ordinary Enchantments* investigates magical realism as the most important trend in contemporary international fiction, defines its characteristics and narrative techniques, and proposes a new theory to explain its significance. In the most comprehensive critical treatment of this literary mode to date, Wendy B. Faris discusses a rich array of examples from magical realist novels around the world, including the work not only of Latin American writers like Gabriel Garcia Marquez, but also of authors like Salman Rushdie, Gunter Grass, Toni Morrison, and Ben Okri. Faris argues that by combining realistic representation with fantastic elements so that the marvelous seems to grow organically out of the ordinary, magical realism destabilizes the dominant form of realism based on empirical definitions of reality, gives it visionary power, and thus constitutes what might be called a "remystification" of narrative in the West. Noting the radical narrative heterogeneity of magical realism, the author compares its cultural role to that of traditional shamanic performance, which joins the worlds of daily life and that of the spirits. Because of that capacity to bridge different worlds, magical realism has served as an effective decolonizing agent, providing the ground for marginal voices, submerged traditions, and emergent literatures to develop and create masterpieces. At the same time, this process is not limited to postcolonial situations but constitutes a global trend that replenishes realism from within. In addition to describing what many consider to be the progressive cultural work of magical realism, Faris also confronts the recent accusation that magical realism and its study as a global phenomenon can be seen as a form of commodification and an imposition of cultural homogeneity. And finally, drawing on the narrative innovations and cultural scenarios that magical realism enacts, she extends those principles toward issues of gender and the possibility of a female element within magical realism.

A captured spy. A woman looking for redemption. A National Security Advisor trying to hold his country together. When a captured spy reveals the presence of a mole within the intelligence establishment, it is left to Constantine D' Souza, an ex-police officer and a man forgotten by time, to lead the hunt. In a world of shadows, where lying is an art and betrayal is currency, will D' Souza be able to unearth the mole in time? "Another riveting thriller ripped from the headlines by Omar Shahid Hamid. The counterterrorism expert takes you on a high-speed chase down the rabbit hole of hostile South Asian politics. The search for an Indian mole at the heart of Pakistan's security structure takes you across the globe at breathless speed, combining a love story with the murky world of spycraft. You will want to read it non-stop." Shuja Nawaz, author of *Crossed Swords: Pakistan, Its Army, and the Wars Within* and *The Battle for Pakistan: The Bitter US Friendship and a Tough Neighbourhood*
