The Be the Jellyfish programme is designed to support schools in nurturing the social and emotional wellbeing of children in their care. The lessons are structured around sensory relaxation and include relaxing exercises in breathing, visualisation, and massage. Based on their experiences teaching in primary schools, the creators were inspired to develop a programme that focusses on a child’s specific social and emotional needs in order to fulfill their learning potential. Structured as one hour lesson plans, the activities included encourage children to relax, communicate and explore themselves creatively using art materials, peer massage, visualisation, bodywork, breathing, sensory equipment and mindfulness. This manual contains planning ideas for lessons, visualisation scenarios, illustrated bodywork exercises, photocopiable templates and posters to use in the classroom or one on one with a child.

Creative Activities for the Early Years contains over 160 art and music activities for use with children aged 0-5. These tried and tested activities, which include songs, rhymes, and story suggestions, are ideal for use in all early years settings. Whether your topic is the autumn, the Chinese New Year or the coastline, you can be sure that children will find the art and music ideas in this book interesting and entertaining. The activities encourage children to use their imagination to communicate ideas, and develop their gross and fine motor skills. The activities are grouped by popular early years themes and can be used as a complete programme or as a dip-in resource.

Provides instructions in the three basic patterns for making pop-up illustrations and how to use them in more complicated designs, as well as how to put together slides, pull tabs, and rotating disks

Bringing French to Life provides an innovative and refreshing cross-curricular approach to teaching languages in primary schools, combining art, design and foreign languages with various aspects of the National Primary Curriculum such as Literacy, Numeracy and PE. This unique practical resource comprises an engaging storyline about a day in the life of two French children and gives an opportunity for learners to re-enact their day, using finger puppets, handmade crafts and exciting games to practise new language. Each of the 14 sections begins with a short accessible dialogue in French and is followed by suggestions for using the new vocabulary in pairs, small groups or as a whole class. The main story is accompanied by fun craft activities linked to the story (one for each section, ie 14 in total) for children to create in class using the templates and instructions provided. A wide range of further activities follows, consisting of lively games, songs and opportunities to communicate simple ideas. Language extensions are suggested, focussing on imaginative writing and reading ideas linked to the theme of each section. Written to support the new foreign languages programme of study the book also includes: \* Cross-curricular links to numerous subjects including Literacy, Numeracy, PE and ICT \* Classroom games and activities \* Photocopiable resources and templates for fun classroom activities and projects \* Language extension activities. Bringing French to Life can be read on three levels to suit a variety of classroom situations. First, the story can be told 'straight' with the whole class participating in the dialogues. Second, the story can be combined with the craft activities after each main section. 14 doing and making activities match the storyline and provide a colourful, eye catching display and learning focus in the classroom or for Open Days or Assemblies. Teachers can use as many or as few as they wish. The resultant crafts can be used for very effective classroom displays/open days/assemblies etc. Finally, the language extension activities can be used alongside the art/craft/design activities as desired. The aim of these activities is to extend the target language in a relevant context through a variety of methods such as songs, playlets, simple communicative exchanges, games with numbers etc.
