counseling and career development in both the private and public sectors. The only book of its kind that emphasizes multicultural considerations and a global perspective, this text offers students the most complete and compelling look at the identification and use of occupational information and appraisal devices — in an array of environments and for all demographic groups. The newly revised and newly organized edition of Career Information, Career Counseling and Career Development focuses on technology in career development, free and low-cost career development strategies, and the impact of the recent recession on the job market.

Career Power Skills is a simple guide to researching careers and creating your resume, cover letter, print portfolio, e-

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Used books, rentals, and purchases made outside of Pearson. If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. For Career Planning, Career Development, and Career Decision Making courses. This package includes MyStudentSuccessLab(tm). This book is designed to help learners choose, change, or confirm career choices. The Career Fitness Program is firmly focused on today's career realities and economy--with sufficient breadth to encourage change and growth for learners of all ages, backgrounds, and circumstances. User-friendly, easy to read, and appropriate for all learners, it provides three teaching and learning

Download Ebook Pearson Learning Solutions Careers

career handles-choice, change, and confirmation-that help students find their career 'fit'. For career choice, the book follows the standard sequence of career search and decision-making issues--Personal Assessment, World of Work, and Job Search. For career change, it offers critical questions that go beyond facts and figures to help learners focus on "What's in it for me?" especially when changing careers. For career confirmation, it provides direction, understanding, and reassurance, showing learners how skills acquired in college are transferable to the world of work. Personalize Learning with MyStudentSuccessLab(tm)
