Development Plan

Workbook Elearningit

There are seven basic steps that you should follow to prepare your Personal Development Plan. We've split these into three sections: 1. Understanding Yourself. 2. Defining Your Career

# Download Free Personal

Objectives. 3. Creating  
Your Personal  
Development Plan. Each  
section builds on the  
previous one, so I  
encourage you to work  
through them in order.

02: Personal Learning  
Plan The aim of this  
module is to create a  
plan for an individual's  
learning based on the  
requirements of the job  
and taking into account  
the individual's needs.

# Download Free Personal

The plan will show the training and the support that the individual will receive to help them carry out the responsibilities and fulfil the training requirements for their role.

## 02: Personal Learning Plan - The Scout Association

Effective personal

# Download Free Personal

development is about being proactive and engaged. So, take advantage of the learning culture that your organization offers – or, if there is none, create your own opportunities. A SMART Personal Learning Plan (PLP), making full use of mentoring and networking
