Cats that bite, cats that won't eat, cats that won't stop eating. Cat expert Celia Haddon has seen it all, and, in Cats Behaving Badly, an essential guide to cat behavior, she teaches readers how to turn even the grumpiest cat into a perfectly lovable animal. One of today's foremost feline experts, Haddon provides practical solutions to a myriad of perplexing situations that only cats can dream up in this valuable manual. Why does a cat suddenly stop using the litter box? Can an aloof kitty turn into an affectionate, cuddly cat? Is expensive cat food really worth it? The author unravels the mysteries of cat behavior and dispenses easy, affordable, and animal-friendly solutions to help both cats and their owners live happier lives. From kittens to senior cats, Haddon explains feline behavior that has puzzled cat owners for decades, including true-life and humorous cat tales that help illustrate her advice. This charming and informative handbook is essential reading for anyone who has ever asked, "Why in the world does my cat do that?"

Holbox, a small Mexican island, the perfect setting for a getaway. A European secret service agent, tired of dirty wars, decides to disappear with 2 million dollars of his agency's money that was earmarked to buy weapons for armed mercenaries in a covert operation. Two years later he allows himself to be discovered by a former colleague: the story tells of their encounter, their reasons, their doubts.
