Get Free Phonics Picture Dictionary Paperback Word By Word Phonics

A phonics-based presentation of over 1000 English words through illustrations, including an introduction to phonemic awareness, decoding and word recognition, and vocabulary concepts and skills development.

Pegasus offers a wide range of books to improve a child's English. This section includes books on phonics, a grammar series which has graded books, picture dictionaries and writing books to give practice for writing the English alphabet.

A systematic, phonics-based vocabulary development program in a lively and motivating picture dictionary format!

Flip your lid all over again with another comprehensive collection of literacy activities by Emily Cayuso! Flip for Word Work includes fifty phonics, spelling, and vocabulary lessons designed to expand literacy center work and enhance reading comprehension. The free-standing, table-top book design acts as a stand-alone literacy center that's perfect for small-group instruction. From distinguishing the difference between simile and metaphor to recognizing onomatopoeia and homophones, Flip for Word Work will improve students' word knowledge and help them build stronger vocabularies.

Write on! Write with students in grades 1–3 using The Biggest Book of Reproducible Books! This 160-page resource provides creative templates for making all kinds of books. It includes seven books: My Spelling Book, My Photo Picture Dictionary, My Journal, My Storybook, My Phonics Book, My “All About Me” Book, and My Year Book. This book also includes templates for two newspapers, four graphic novels, one accordion book, and six shape books. It supports NCTE standards.

My First Consonants and Vowels Student Guided Practice Book features four activity pages to correspond with each book in the kit and each activity page helps reinforce the letter's name, shape, and sound.

More Consonants, Blends, and Digraphs Student Guided Practice Book features four activity pages for each consonant, blend, or digraph and each activity page helps reinforce the letter's name, shape, and sound.

As the third workbook in this companion series, it provides practice and review of all phonics introduced in the first two workbooks. A review of each phonics rule is also provided as the related skill is practiced.
