Set policies and procedures. Improve your practice. To ensure the smooth running of your practice, you need to have a set of policies and procedures in place which underpin the workings of the practice; these state your goals, the plan to achieve your goals and any rules, as well as the modus operandi for the efficient management of the practice. General practices participating in the accreditation process will be required to have an appropriate policy and procedure manual.

Policy and procedure manuals - Avant

Policy and procedure manuals. Content 1. The following policy and procedure manuals are updated continually to incorporate the latest policies issued by the Ministry. On 1 February 2010 the Ministry of Health ceased issuing hard copy amendments to manuals. Updates to the manuals are done by Corporate Governance and Risk Management Branch as electronic amendments.
