~~How to Use Positive Discipline Techniques~~

Based on the best-selling Positive Discipline parenting books by child psychologist Dr. Jane Nelsen, Positive Discipline teaches important social and life skills in a manner that is deeply respectful and encouraging for both children and parents. Recent research tells us that children are hardwired from birth to connect with others, and that children who feel a sense of connection to their community, family, and school are less likely to misbehave.

Roslyn Duffy Positive Discipline for Preschoolers: For Their Early Years--Raising Children Who are Responsible, Respectful, and Resourceful (Positive Discipline Library) Paperback — March 27, 2007 by Jane Nelsen Ed.D. (Author), Cheryl Erwin M.A. (Author), Roslyn Ann Duffy (Author) 4.7 out of 5 stars 179 ratings

~~Positive Discipline for Preschoolers: For Their Early ...~~

The idea of positive discipline sounds great. Unfortunately I didn't feel like the book was talking to "real" parents of "real" children. Some of the ideas were useful (learning how to avoid power struggles is a real life-saver), but I don't understand still what to do when my child just refuses to obey me, no matter how many choices I give her.

~~Positive Discipline for Preschoolers: For Their Early ...~~

Positive discipline must be given in the context of a warm, positive and loving environment. The more positive attention and encouraging comments you give your child, the more they will respond to disapproval.

Completely updated with the latest research in child development and learning, *Positive Discipline for Preschoolers* will help parents understand their preschooler and provide early methods to raise a child who is responsible, respectful, and resourceful. Caring for young children is one of the most challenging tasks an adult will ever face. No matter how much you love your child, there will be moments filled with frustration, anger, and even desperation. There will also be questions: *Why does my four-year-old deliberately lie to me? Why is everything a struggle with my three-year-old? Should I ever spank my preschooler when she is disobedient? Over the years, millions of parents have come to trust the Positive Discipline series and its common-sense approach to child-rearing. This revised and updated fourth edition includes a new chapter on the importance of play and outdoor experiences on child development, along with new information on school readiness, childhood brain growth, and social/emotional learning. You'll also find practical solutions for how to:* - Teach appropriate social skills at an early age - Avoid the power struggles that often come with mastering sleeping, eating, and potty training - See misbehavior as an opportunity to teach nonpunitive discipline--not punishment

Over 2 Million Positive Discipline Books Sold! A Positive Approach To Helping Children With Special Needs Realize Their Potential Every child deserves to lead a happy and fulfilling life. For parents and teachers of children with special needs, helping their child to not only negotiate daily challenges, but to live fulfilling, meaningful lives, can be the most difficult challenge they will face. Over the years, millions of parents and teachers have come to trust Jane Nelsen ' s classic Positive Discipline series for its consistent, commonsense approach to childrearing. Now, the bestselling series addresses the specific challenges that parents and teachers of children with special needs face, and offers them straightforward advice for supporting them in positive ways. In these pages are practical solutions to challenges such as: Learning to look beyond diagnostic labels Believing in each child's potential regardless of his/her stage of development Helping children integrate socially and interact with their peers Coping with the frustration that inevitably occurs when a child is being difficult Strengthening a child ' s sense of belonging and significance And Many More! Use this book to answer such questions as: • How do you accommodate a disability, while still teaching a child to try their best? • How do you help a child cope with anger they may have trouble expressing, especially when that anger may on some level be justified? • How do you teach a child who may struggle with seemingly straight forward tasks to contribute to the world around them in a way that will be meaningful to them? “ If you are raising or teaching a child with special needs, this book is a must-read. As the mother of a child with autism, my hopes and dreams for my son were no different than those of other parents. I wanted a parenting approach that helped my child grow up to be self confident, happy, and prepared for success in relationships, work, and life. I also needed practical, effective methods for addressing the significant, challenging behaviors I faced on a daily basis. Finally, in this amazing book, I found both.... Thank you, thank you, thank you to the authors of this groundbreaking book. ” - Rachel Fink Parks, MS, PCC

Helps teachers and parents support their children with special needs, as they cope with their unique challenges, while also teaching the children the values and discipline they need to lead happy and fulfilling lives.

The celebrated Positive Discipline brand of parenting books presents the revised and updated third edition of their readable and practical guide to communicating boundaries to very young children and solving early discipline problems to set children up for success. Over the years millions of parents have used the amazingly effective strategies of Positive Discipline to raise happy, well-behaved, and successful children. Research has shown that the first three years in a child's life are a critical moment in their development, and that behavior patterns instilled during that time can have profound implications for the rest of a child's life. Hundreds of thousands of parents have already used the advice in Positive Discipline: The First Three Years to help set

effective boundaries, forge strong foundations for healthy communication, and lay the groundwork for happy and respectful relationships with their young children. Now this classic title has been revised and updated to reflect the latest neuroscientific research and developments in positive discipline parenting techniques.

Explains why children misbehave; discusses class and family meetings, mutual respect, and responsibility; and tells how parents and teachers can be more understanding and supportive

For twenty-five years, Positive Discipline has been the gold standard reference for grown-ups working with children. Now Jane Nelsen, distinguished psychologist, educator, and mother of seven, has written a revised and expanded edition. The key to positive discipline is not punishment, she tells us, but mutual respect. Nelsen coaches parents and teachers to be both firm and kind, so that any child – from a three-year-old toddler to a rebellious teenager – can learn creative cooperation and self-discipline with no loss of dignity. Inside you'll discover how to

- bridge communication gaps
- defuse power struggles
- avoid the dangers of praise
- enforce your message of love
- build on strengths, not weaknesses
- hold children accountable with their self-respect intact
- teach children not what to think but how to think
- win cooperation at home and at school
- meet the special challenge of teen misbehavior

“ It is not easy to improve a classic book, but Jane Nelsen has done so in this revised edition. Packed with updated examples that are clear and specific, Positive Discipline shows parents exactly how to focus on solutions while being kind and firm. If you want to enrich your relationship with your children, this is the book for you. ” – Sal Severe, author of *How to Behave So Your Children Will, Too!* Millions of children have already benefited from the counsel in this wise and warmhearted book, which features dozens of true stories of positive discipline in action. Give your child the tools he or she needs for a well-adjusted life with this proven treasure trove of practical advice.

"Jane Nelsen, author of the successful Positive Discipline series, has now compiled a toolkit for parents to teach their children creative cooperation and self-discipline, with success stories from parents worldwide"--
