"Mama Natural's Week to Week Guide to Pregnancy is the modern (and yet ancient) approach to pregnancy and childbirth. "Natural" recognizes that pregnancy and birth are normal, and that having a baby is a wondrous biological process and rite of passage--not a medical condition. This book draws upon the latest research showing how beneficial and life-changing natural birth is for both babies and moms. Full of weekly advice and tips for a healthy pregnancy, Grace details vital nutrition to take, natural remedies for common and troublesome symptoms, as well as the appropriate (and inappropriate) use of interventions. Pregnancy, childbirth, health, health and wellness, parenting, family"--

An OG/GYN and fertility specialist details her personal struggles with getting pregnant, sharing a doctor's perspective on a journey faced by many. After years of dedicating her career to bringing new lives into the world, ob/gyn and fertility specialist Dr. Dorete Noorhasan wanted to have a child of her own. But her journey to motherhood was not an easy one. This is her story. The story of a girl who grew up amid hardship, natural disaster, and the harsh reality of life and death. The story of a young woman who dedicated herself to her education and pursued a career in medicine so she could help patients become parents. The story of a mother who was determined, despite all the struggles, setbacks, and heartbreak, to bring her child into this world. Today, one woman in eight is battling infertility. As a physician, Dr. Noorhasan understands the medical aspects of this condition. But as a patient, she has also experienced the emotional turmoil firsthand. Through this unique perspective, *Miracle Baby* sheds much-needed light on infertility while also offering hope and comfort to those struggling on the road to parenthood, showing how even the most difficult journeys can end in a miracle. Praise for *Miracle Baby* □Poignant, transparent, inspiring, Dr. Noorhasan's perspective will resonate with anyone facing a

challenging journey to parenthood. Having found her own path to motherhood through surrogacy, she brings a physician's insight to a deeply personal struggle, and her books are much-needed tools to demystify infertility and help families find the hope and understanding to persevere. —Kavitha Blewitt, MD, Obstetrics and Gynecology, Women's Health Specialists of Dallas

Nancy O'Dell, host of Access Hollywood, offers straightforward mom-to-mom tips and kernels of wisdom from the minute you decide to have a baby until you bring your little one home. When Nancy O'Dell was pregnant she found herself saying often, Why didn't y'all tell me that was gonna happen! Nancy's friends didn't think to warn her about half of the things that happened to them during pregnancy -- like how those red dots might appear on her chest in the third trimester or how her calves (not just her feet) would swell too much for those cute new boots. Now that her own little bundle has arrived, Nancy shares candid observations and motherly advice that will help other expectant mothers prepare for all those spontaneous itches, emotions, skin changes, and cramps that can be quite terrifying and downright embarrassing if you don't know ahead of time that they might occur. She even shares her mother's delicious spice cake recipe with prunes, for those constipated days. (Hey, even in Hollywood pregnancy isn't always glamorous.) So don't panic if you forget the word for toothpaste or if your boobs leak before you give birth -- these nine (well, ten!) months of your life will be full of crazy and often hilarious moments. With warmth and humor, Nancy talks openly about her experiences in each stage of expectant
