REA's PRAXIS II test prep was designed to help teacher candidates master the information on the Special Education (0353, 0354, 0543, 0545) exams. This test prep is for college students or career-changing professionals who plan to teach in a special education program at any grade level and/or those who plan to teach students with moderate to severe disabilities. /Written by an education expert, our review covers all the topics tested on the exams, including application of special education principles and core knowledge content. The book includes a full-length practice test for each exam, for a total of 4 tests! Each practice test features every type of question tested on the exam, allowing teacher candidates to assess their skills and gauge their test-readiness.

Complete with a targeted review of all the material on the selected Praxis exam in addition to a full-length practice test, these test preparation guides are written by the makers of the real tests. Thorough explanations of the answers are provided and helpful test-taking strategies are found throughout the guide. The three categories of assessments covered correspond to the three milestones in teacher development—academic skills assessment, subject assessment, and classroom performance assessment. Reflecting the rigorous and carefully validated nature of the exams, these guides provide beginning teachers the information needed to succeed.
