expert Dr. Phil calls "the best of the best"! What does Tony Beshara do that most resumes don't? While the experts write resumes all day, Tony—the veteran placement specialist featured regularly on the Dr. Phil show—actually uses them to get people jobs. With *Unbeatable Resumes*, Tony dissects and discusses real-life resumes for jobs in a wide range of industries from healthcare to banking, construction to technology, administration to sales and marketing, and more. The book shows readers how to build a powerful resume, utilize keywords effectively, use gaps and job changes to their advantage, and pair their resumes with concise, dynamic cover letters. He complements his expertise (he has personally placed more than 8,500 professionals) with the results of a survey of more than 3,000 managers, executives, HR specialists, and other hiring authorities about what gets resumes read,

opportunity: auditor, financial services consultant, investment banker, commercial banker, bookkeeper, commercial loan specialist, data entry operator, controller, chief financial officer, budget management specialist, business analyst, business services manager, accounts receivable specialist, insurance adjuster, funds transfer analyst, loan officer, mortgage consultant, real estate broker, revenue field auditor, accounting manager, staff accountant, tax auditor, teller supervisor, training operations manager...and many others!

This book shows today's job candidates a new, more targeted way to write resumes to get them back on the same playing field with the best employers and improve their odds of winning the job they want. The system an employer uses when filling jobs has changed

# Online Library Problem Resolution Resume

significantly in the past few years, and it is still evolving. Rather than simply looking at an applicant's past jobs, companies are instead looking at candidate's experiences in certain key areas including measurable work habits and the personal skills, known as competencies, used to achieve objectives at work. Competency-Based Resumes offers you a new and effective way to create resumes that emphasize the knowledge, skills, and abilities that you have and employers need.
