1 Corinthians 11:26. For as often as you eat this bread and drink this cup, you proclaim the Lord's death till He comes. In the Old Testament, whenever the children of Israel sacrificed a lamb for a burnt offering as they faced a strong enemy, victory was theirs. For example, in 1 Samuel 7:7-11, when the Philistines were coming against them, the prophet Samuel offered a lamb as a burnt offering.

17:22-31. Reading these speeches as part of the narrative of Luke-Acts with attention to scriptural use and influence, along with extended analysis of judgment figures in Jewish pseudepigraphal and Qumran literature, reveals that the scope of Jesus' judgment and the use of scriptural patterns in the speeches suggest his divine authority by associating him with God's final judgment at the resurrection. At the same time, his judgment identifies him as the appointed human messiah whom the speeches proclaim. While further tracing the contours and characteristics of messianism and mediatorial figures in Judaism contemporary with the beginnings of Christianity and the New Testament texts, this volume integrates study of the speeches in Acts, Lukan theology, early christology, and scriptural use and influence, whether direct and through the

Shaping of collective cultural knowledge.

The descent of Jesus Christ to the dead has been a fundamental tenet of the Christian faith, as indicated by its inclusion in both the Apostles' and Athanasian Creeds. But it has also been the subject of suspicion and scrutiny, especially from evangelicals. Led by the mystery and wonder of Holy Saturday, Matthew Emerson offers an exploration of the biblical, historical, theological, and practical implications of the descent.

VanderGroe's exposition of the Heidelberg Catechism could be considered his magnum opus, and in some ways, it was esteemed as highly by the godly in the Netherlands as The Christian's Reasonable Service of Wilhelmus à Brakel. In this able exposition of the Heidelberg Catechism, we find the unmistakable characteristics of the Dutch Further Reformation: it is steeped in Scripture; it is very pastoral; and it promotes a robust, comprehensive form of Reformed piety.
