Amazon.com: Customer reviews: Professional's Guide to ...

How a Value Pricing Strategy is Different. A value-based pricing strategy can be contrasted with three other pricing strategies common to the professional services marketplace. Time and Materials Pricing involves calculating the cost of the labor (time) and other expenses (materials) and adding a markup to cover overhead and profit. This marked up rate is often referred to as hourly billing rate and may vary depending on who does the work.

PCGS Coin Price Guide: The Industry Standard for US Coin ...

What is value-based pricing? A value-based project is simply a fixed-fee project where the price is determined by the value of the outcome to the clients business ¶ not the estimated time it will take to complete. But it's slightly more complex than that. A true value-based price is typically 15-25% of the clients first year of realized revenue.
