Q1- Write short notes on the following: a)

Define a project with help of example.

Project: A group of activities that have to be performed in a logical sequence to meet preset objectives outlined by the client  
PMI defines a project as “ a temporary effort undertaken to accomplish a unique product or service ”

Project Management Final Exam Sample

I ' ve been marking APMP mock papers for most of this week and I thought it would be useful to share some reflections on what makes a good answer in the APMP examination. Answer the question as asked The first things that I have noticed it that candidates have a tendency to reach straight through the theory when answering questions are not really look at what the examination questions asking them.
