"Mary Sheedy Kurcinka, Ed.D., brings her expertise in raising spirited children to help you understand and soothe your spirited baby. Her research-based, parent-tested strategies will help your baby sleep better and develop a calmer, more resilient brain and nervous system." —Dr. Laura Markham, founder of AhaParenting.com, and author of Peaceful Parent, Happy Kids From the beloved bestselling author whose award-winning parenting books have sold over 1 million copies—an indispensable guide to the unique needs of Spirited Infants™. Does your baby bursts into tears when another baby in the same situation sleeps soundly? Do the strategies your friends swear by not work with your baby? Do the upsets and shrieking come out of seemingly nowhere and take forever to subside? Moms and dads who answer “yes,” are the parents of a spirited infant. Spirited infants are the outliers—the exceptions to the “rules.” They are genetically wired to be alert and intense. Raising them takes special skills and patient perseverance. In this groundbreaking new book, beloved parenting expert Mary Sheedy Kurcinka, Ed.D., offers her findings in the fields of neuroscience, sleep, temperament, self-regulation, attachment, and parent-child interactions, and shares what she has learned from hands-on experiences with families to bring this much-needed perspective to the parenting of babies under eighteen months of age, including: A plan for success with the 5-step Spirited Baby™ Methodology How to master the “NUDGE” approach to help your baby thrive Parental Permissions – practical advice for parents to help them make sure their needs are met Resources to ensure the whole family unit finds balance and happiness Raising Your Spirited Baby is a shame-free, guilt-free how-to handbook that will be embraced by parents—and everyone who supports them—as a simple, trusted companion.

The Essential Companion Workbook To The National Bestseller Raising Your Spirited Child. In this companion workbook, Mary Sheedy Kurcinka brings readers into her world-famous workshops, where she offers parents and educators insights, emotional support and proven strategies for dealing with spirited children. The key word that distinguishes spirited children from other children is “more” -- more intense, more persistent, more sensitive and more uncomfortable with change. Through exercises, observations and dialogue from actual groups, Kurcinka helps readers learn to identify the triggers that lead to tantrums and challenging behaviors. Included are clues to help you identify the little things that can make or break a day tips for profiling your child's temperament and your own cues that indicate intensity is rising successful strategies for reducing and eliminating power struggles By combining the intuition and compassion gained from parenting a spirited child with the wisdom of an expert who has worked with thousands of families, Mary Sheedy Kurcinka helps parents and educators view their unique challenge with perseverance, flexibility, sensitivity, and, most of all, enjoyment.

The bestselling five-week program to improving the disruptive child's behavior--now updated and revised Based on more than 40 years of collective research, parents and longtime child behavior experts Dr. Rex Forehand and Dr. Nicholas Long have devised a program to help you find positive and manageable solutions to your child's difficult behavior. Now in a revised and updated edition, Parenting the Strong-Willed Child is a self-guided program for managing disruptive young children based on a clinical treatment program. This hands-on guide provides you with a step-by-step, five-week program toward improving your child's behavior as well as the entire family's relationship. Providing you with the necessary tools for successfully managing the difficult child, the book covers specific factors that cause or contribute to a child's disruptive behavior; ways to develop a more positive atmosphere in your family and home; actual reports by parents of difficult children; strategies for managing specific behavior problems; how to tell if your child might have ADHD; and more.

This book enables parents and carers of 'really difficult' children to help their child succeed and flourish. The nurtured heart approach has helped thousands of families in America who previously felt their child was stuck. This new UK edition reflects parents' increasing need for effective ways of parenting their intense children without needing to turn to medication.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of 'Raising Your Spirited Child Rev Ed.' Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Provides guidance for raising intuitive children, including techniques to prevent sensory overload and reduce stress, advice on when and how to seek professional help, and how to minimize other every day challenges they face.

How to help—and cope with—the difficult child Expanded and completely revised, the classic and definitive work on parenting hard-to-raise children with new sections on ADHD and the latest medications for childhood disorders. Temperamentally difficult children can confuse and upset even experienced parents and teachers. They often act defiant, stubborn, loud, aggressive, or hyperactive. They can also be clingy, shy, whiny, picky, and impossible at bedtime, mealtimes, and in public places. This landmark book has been completely revised to include the latest information on ADHD, medications, and a reassuring approach to all aspects of childhood behavioral disorders. In this parenting classic, Dr. Stanley Turecki, one of the nation's most respected experts on children and discipline--and himself the father of a once difficult child--offers compassionate and practical advice to parents of hard-to-raise children. Based on his experience with thousands of families in the highly successful Difficult Children Program he developed for Beth Israel Medical Center in New York City, his step-by-step approach shows you how to: Identify your child's temperament using a ten-point test to pinpoint specific difficulties Manage common--often "uncontrollable"--conflict situations expertly and gently Make discipline more effective and get better results with less punishment Get support from schools, doctors, professionals, and support groups Understand ADHD and other common diagnoses, and decide if medication is right for your child Make the most of the tremendous potential and creativity that many "difficult" children have Drawing on his experience with thousands of families in his highly successful Difficult Child Program, Dr. Turecki shows parents how to: Identify their child's difficult temperament using a ten-point test to pinpoint specific difficulties Manage typical conflict situations expertly and kindly Make discipline more effective and get better results with less punishment Get support from schools, doctors, and others Understand ADHD and other common diagnoses, and decide whether medication is right for their child Make the most of the child's creativity and potential. -->
