Re-Zoom by Istvan Banyai is a wordless picture book that will engage almost any reader. The book begins with a grainy read and blue image that is hard to discern. At every turn of the page, the verso is a solid black page directing the reader's eye to the recto. Each recto contains a full bleed illustration.

Re-Zoom is a wonderful book, especially for those who are very visual-minded. Although this book doesn't have any text, it does take the "reader" on an adventure that contains many surprises. On one page, readers will think they're one place, and the next, they're somewhere else. jmitra1, December 3, 2014
