Algebra is tough. We think all kids say that so we came up with a workbook that targets learners from Grades 6-8. The purpose of this workbook is to challenge a student's understanding of algebra by using age-appropriate examples. Encourage your child to use this book as a reviewer or as an introduction to the subject. So what are you waiting for? Secure a copy today!

Part of a four-book course which develops students' awareness of cultural differences and similarities while they learn to listen to, understand, speak and write Spanish. The new edition has increased use of authentic material, a greater emphasis on developing communicative competence and the inclusion of fun activities. In addition, there is strong adherence to sound grammatical accuracy and vocabulary building, both of which help develop student proficiency in preparation for their CXC Basic- and General-level examinations.

A six-level four-skills, standards-based, integrated-skills series that empowers students to achieve their academic and career goals.
