Simpson's demands himself, Logan heads to Atlanta only to discover things are not what they seem, starting with the sexy woman he rescues after an accident on the job site. Only time will tell if a case of mistaken identity can turn hate into love—but time may not be a luxury they can afford. Can Logan and Bree discover their real selves and true love in time or will everything be torn down around them?

Somebody is out to destroy Elle Simpson and everything she's worked hard to build. As the CEO of a corporate conglomerate, Elle is used to fighting off challengers.
