following your heart...and knowing that sometimes, you just have to learn when to let go.

When tragedy strikes, beautiful model Margot Radcliffe is forced to return home to her family's Virginia horse farm where she encounters the very man who broke her heart years ago--and who is the only one who can help her save Rosewood Farm from financial ruin. Original.

Ryan Matthews has everything he ever wanted. Close to graduation from Harvard Medical School and on the verge of marrying his gorgeous and accomplished girlfriend, Julia Abbott, his dreams are about to come true and all of their sacrifice is finally at it's end. When tragedy strikes, their relationship is hurled into turmoil that leaves Ryan devastated. His sorrow drives him to keep his distance yet leaves him aching; consumed with desire and love he refuses to let manifest. Julia is inexplicably drawn to Ryan and longs to build a future with him, but his agony over the loss of the heart-stopping memories she no longer shares with him, leaves him unable to trust that she could truly love him without the brilliant past he clings to. When love so unforgettable has been forgotten, can Ryan find enough faith to believe that Julia's heart will remember, even when her mind can't? The second book of The Remembrance Trilogy follows Ryan and Julia's quest to rebuild their stunning past. An incredibly beautiful and heart-breaking romance, full of passion, intensity and truly immeasurable love that will leave you spellbound, breathless and longing for more...

The story of two teenagers who attended the same school in the 1990's. One becomes a famous movie star.

Sarah Metz just got to Sylvanna College. She went in search of a biology degree. She found a group of wizards on the run from their past. They remember her. She doesn't remember them. Over the next year, she'll help them fight off the creatures trying to kill them, fall back into love with the man who used to be her husband, break the heart of her best friend while doing it, and maybe, if they're very, very lucky, not remember who she used to be. Sylvanna is a modern day fantasy with a scorching hot erotic romance and a deeply layered plot. Angels, demons, magic, sword fights, free will, destiny, and true love all weave into a complex tale of the search for redemption.

Laine Tavish is an ordinary woman living an ordinary life in the small town of Angel's Gap, Maryland, as the proprietor of Remember When, an antique treasures and gift shop. At least, that's what everyone in Angel's Gap thinks. They have no idea that she used to be Elaine O'Hara, daughter of the notorious con man Big Jack O'Hara. Or that she grew up moving from place to place, one step ahead of the law. Laine's past has just caught up with her, though - in a very dramatic way. Her long-lost uncle suddenly turned up in her shop, leaving only a cryptic warning before dying in the street, run down by a car. Soon afterward, her home is ransacked. Now it's up to Laine, and a sexy stranger named Max Gannon, to find out who's chasing her, and why. The answer

lies in a hidden fortune - a fortune that will change not only Laine's life but also the lives of future generations. And danger and death will surround that fortune for years to come. Until New York City Detective Lieutenant Eve Dallas gets on the case. A thrill-ride of a novel that blends present-day romance and futuristic suspense.

Layla Warren first introduced us to Trip Wilmington in REMEMBER WHEN. Now read HIS side of the story!

Plagued by memory loss, Jamie Baker searches high and low for the answers to who she is, where she comes from, and why she's able to do things other humans can't. A not-so-simple task when she's hiding from the people responsible for her amnesia-an evil scientific research company that wants to capture her at any cost. When Jamie's quest for the truth reveals a devastating betrayal from the one person she thought she could trust, she's forced to team up with a secret military organization in order to ensure her safety and stop Visticorp's horrific human experimenting once and for all.

“Beautifully elegiac and intricately plotted, this is Nordic noir at its best.”—People Winner of the Glass Key Award for Best Nordic Crime Novel • Best Swedish Crime Novel of the Year • Shortlisted for the Best Swedish Book of the Year Award • One of People Magazine’s Best Books of Fall A missing girl, a hidden body, a decades-long cover-up, and old sins cast in new light: the classic procedural meets Scandinavian atmosphere in this rich, character-driven mystery, awarded Best Swedish Crime Novel of the Year, that heralds the American debut of a supremely skilled international writer. It’s been more than twenty years since Olof Hagström left home. Returning to his family’s house, he knows instantly that something is amiss. The front door key, hidden under a

familiar stone, is still there. Inside, there's a panicked dog, a terrible stench, water pooling on the floor: the father Olaf has not seen or spoken to in decades is dead in the bathroom shower. For police detective Eira Sjödin, the investigation of this suspicious death resurrects long-forgotten nightmares. She was only nine when Olof Hagström, then fourteen, was found guilty of raping and murdering a local girl. The case left a mark on the town's collective memory—a wound that never quite healed—and tinged Eira's childhood with fear. Too young to be sentenced, Olof was sent to a youth home and exiled from his family. He was never seen in the town again. Until now. An intricate crime narrative in which past and present gracefully blend, *We Know You Remember* is a relentlessly suspenseful and beautifully written novel about guilt and memory in which nothing is what it seems, and unexpected twists upend everything you think you know.
