No matter how great you are at finding good rental property deals, you could lose everything if you don't manage your properties correctly! But being a landlord doesn't have to mean middle-of-the-night phone calls, costly evictions, or daily frustrations with ungrateful tenants. Being a landlord can actually be fun IF you do it right. That's why Brandon and Heather Turner put together this comprehensive book that will change the way you think of being a landlord forever. Written with both new and experienced landlords in mind, *The Book on Managing Rental Properties* takes you on an insider tour of the Turners' management business, so you can discover exactly how they've been able to maximize their profit, minimize their stress, and have a blast doing it! Inside, you'll discover: - The subtle mindset shift that will increase your chance at success 100x! - Low-cost strategies for attracting the best tenants who won't rip you off. - 7 tenant types we'll NEVER rent to--and that you shouldn't either! - 19 provisions that your rental lease should have to protect YOU. - Practical tips on training your tenant to pay on time and stay long term. - How to take the pain and stress out of your bookkeeping and taxes. - And much more!

Are you interested in Real Estate but scared of failure? Are you afraid that a little knowledge might end up costing you an immense fortune? Do you dream of owning your Rental properties but don't want to deal with the hassles of managing one? If yes, you've come to the right place. Buying a rental home can build you a healthy passive income, supplement your day job earnings, prepare you for a stress-free and early retirement, and give you financial independence. This book will teach you how to analyze rental property investments using professional and unique real estate investment analysis techniques and strategies. Investing in Rental Properties shouldn't be a hassle if you have the perfect guide to show you your way around them. Why Pick This Book? In this book, you will learn about: 1. Pointers to look for when buying properties, how to know if you are getting the best deal. 2. How to buy low, do rehab, and rent high. 3. How to build your real estate team and the important people that will help you in your business. 4. How to analyze and invest in rental properties; when, why, and how you can start this business from scratch. 5. Creative and unique rent solutions and suggestions. 6. Untold excellent tips and tricks for beginners to get assured success in rental properties. 7. All about property and tenant management. This book also features my story and how I went from a middle-class teenager to a successful business woman in real estate. What Does This Book Offer? · It'll completely change your way of viewing your life and investments you make in it. It'll help you get out of your cocoon and step into the world of investment. · It'll help you pave your path and lead a life that wasn't designed or chosen by your parents, your teachers, your influencers, society, or anyone but yourself. · This book will answer all your life-changing questions with tons of brand-new ideas, strategies, concepts, and theories. · It provides the most efficient rental property investment solutions and minimizing hassles in asset management; this book prioritizes to be the single guide that'll help you invest in rental properties from scratch! · It also features an in-depth explanation of every possible question that might arise in any real estate investors' mind. Each chapter features a specific step essential in investment in rental properties and how to get the most out of them with the least possible investment. Whether you are a beginner or a professional into real estate investing, this book will help you navigate every corner of this business and help you create a constant passive income flow that'll last you for a long time, helping you achieve your dream of easy and stress-free retirement. Ready to turn your dreams of being a real estate investor into a reality? Then hit the BUY NOW button!

This book covers the entire cycle of becoming a successful real estate property manager. Written in an accessible format, this book provides valuable information for investors who are now landlords and property managers. This book is not about the day-to-day of landlording, rather it focuses on the strategies for managing the assets of your property. Readers will find information on: ? The benefits of managing property ? Assembling your core team (attorneys, accountants and insurers) ? Legal documents ? And office help (including the right systems and software, how and when to maintain and repair, and the finances of managing your properties)

Updated edition of Buy it, rent it, profit!, 2009.

In today's challenging real estate sales market, the same old process of listing a home for sale with a Realtor, waiting a few months, and selling for full price just isn't happening! So what is there to do?"Rent-To-Sell Your Own Home" details innovative methods to get the most potential buyers to your home in this challenging market. From selling to a real estate investor and renting back your home, to using Craig's List to generate rent-to-own tenants, this book will provide you proactive sales strategies that work! Who wants to be stuck playing a sales waiting game that might never pan out? The "Rent-To-Sell Your Own Home" book will teach you to:*Offer your home to tenant-buyers, rent-to-own tenants, buyers, and investors ALL AT THE SAME TIME! Sales is a numbers game- have this work for you!*Use proven processes we have been using for years to sell homes*"Maximize" your real estate professionals*Harness the power of rent-to-own tenants- willing buyers who cannot buy in this challenging mortgage market*Sell your home with a tenant in place to investors worldwide!*Tips by the President and Owner of BDF Realty and Rent-To-Sell Realty whose firm has been using lease options to move real estate for years*Secrets used by successful real estate agents and property managers to fill homes fast!This book will teach you to maximize your real estate professionals (real estate agents and property managers), as well as showing practical strategies to assist them in selling your home. If you are stuck in home sale limbo, this book is a must-read and could be your ticket to freedom!

In tough real estate markets (like today's!), traditional buy and sell methods have been put to the test. There is a much smaller pool of qualified buyers going after a swelling pool of home sellers. This begs 3 questions: What happens to the people who want to buy that can't

qualify right now? What happens to the homeowners who can't sell their home at rock-bottom prices? And what happens to the real estate professionals who make their livings transacting real estate?"Rent-To-Own & Rent-To-Sell: A Complete Guide" provides answers to these questions for real estate agents and property managers. Using proven rent-to-own (lease option) techniques, real estate professionals will learn to work profitably with buyers and sellers creating win-win-win transactions. The author, Brett Furniss, outlines step-by-step instructions on how to work with non-qualified buyers (rent-to-own tenants) and place them into vacant homes for sale (rent-to-sell homes) that he has utilized the last 9 years. As the founder of BDF Realty and Rent-To-Sell Realty in Charlotte, NC, he has written and spoken extensively on these subjects and shares his secrets to sales success in this challenging real estate market.

Maximize the Profitability of Your Rental Property Be a Successful Property Manager is a complete guide to all the essentials of profitably managing rental properties. Valuable to anyone who already owns several rental properties, is thinking about investing in one, or is considering a job as a property manager, this unique resource gives you the information and techniques to operate with maximum efficiency and profitability.

The property management guide that provides the best practical and legal compliance advice for the millions of small-time landlords who own a single-family home, condo, or small (less than four) multi-unit property. Companion to Every Landlord ' s Legal Guide.

In Urban Land Rent, Anne Haila uses Singapore as a case study to develop an original theory of urban land rent with important implications for urban studies and urban theory. Provides a comprehensive analysis of land, rent theory, and the modern city Examines the question of land from a variety of perspectives: as a resource, ideologies, interventions in the land market, actors in the land market, the global scope of land markets, and investments in land Details the Asian development state model, historical and contemporary land regimes, public housing models, and the development industry for Singapore and several other cities Incorporates discussion of the modern real estate market, with reference to real estate investment trusts, sovereign wealth funds investing in real estate, and the fusion between sophisticated financial instruments and real estate
