New 'Restorative Justice' Program Promises to Reduce Crime ...

Not only does restorative justice offer deeper levels of engagement and rehabilitation, many argue it's more cost effective, produces less recidivism, and is more satisfying to victims of crime than the current model. The VOEG is a project of the Insight Prison Project (or IPP), which began in 1997. The program aims to help incarcerated men learn new emotional skills and correct problem behaviors in order to succeed in and out of prison.

Restorative Justice in Practice - Prison Fellowship

Restorative justice tries to give victims a voice, educate offenders about their obligations, and locate and repair the harm done to individuals and communities. This is done by trying to get to the roots of damaging behaviors and actions. Restorative justice strives to restore the element of justice to the justice system.

Restorative Justice - Saving Lives, Money and Communities ...

Restorative justice systems have been successful in reducing the cost of imprisoning criminals, reducing recidivism rates, and reducing crime. When the point is not to punish, but rather to help a person become a productive and contributing member of society, the Norwegian system is a great example of how restorative justice can be used in practice.
