Rush Limbaugh is the

most prominent
figure in the
conservative
movement today.

With almost 20
million listeners every
week on more than
six hundred stations,
Limbaugh has a
larger media platform
than any other
individual in the
nation. And this is
why he is so

dangerous. Despite refusing to uphold even the most basic standards of journalism, Rush has been given an extensive, wide-reaching platform with which to spew his venom. And spew it he does! In this book, author John K. Wilson uses the most damning evidence of

Access Free Reteaching

all—Rush's own words—to deliver the ultimate indictment of Limbaugh's bankrupt ideology and how it embodies the decline of the conservative movement. Wilson catalogs the world according to Rush—from the political conspiracies to his disdain for scientific evidence

and apparent love of racist, sexist, and homophobic stereotypes—and shows how the radio personality poisons any rational political rhetoric with an endless stream of slurs, lies, and intimidation. Most revealingly, the author demonstrates how Limbaugh's

Access Free Reteaching

blustering, baseless proclamations and love for savage, personal attacks have had a chilling effect on both parties, as he viciously targets not only liberals but also any Republican who dares question one of his conclusions.

Meanwhile, Rush's viselike grip on the political arena has
