the author of "Rich Dad Poor Dad," tweeted on Monday. "The biggest crash in world history is coming," he said, adding that sell-offs create buying opportunities but that markets wouldn't recover ...

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. " Why should I put time into studying subjects I will never use in real life? " he protested. Without thinking, I responded, " Because if you don't get good grades, you won't get into college. " " Regardless of whether I go to college, " he replied, " I'm going to be rich. "

Taking to heart the message that the poor and middle class work for money, but the rich have money work for them, the authors lay out a financial philosophy based on the principle that income-generating assets always provide healthier bottom-line results.

This work will reveal why some people work less, earn more, pay less in taxes, and feel more financially secure than others.

In Rich Dad Poor Dad, the #1 Personal Finance book of all time, Robert Kiyosaki shares the story of his two dad: his real father, whom he calls his poor dad, ' and the father of his best friend, the man who became his mentor and his rich dad. ' One man was well educated and an employee all his life, the other ' s education was street smarts " over traditional classroom education and he took the path of entrepreneurship a road that led him to become one of the wealthiest men in Hawaii. Robert ' s poor dad struggled financially all his life, and these two dads these very different points of view of money, investing, and employment shaped Robert ' s thinking about money.Robert has challenged and changed the way tens of millions of people, around the world, think about money and investing and he has become a global advocate for financial education and the path to financial freedom. Rich Dad Poor Dad (and the Rich Dad series it spawned) has sold over 36 million copies in English and translated editions around the world.Rich Dad Poor Dad will explode the myth that you need to earn a high income to become rich challenge the belief that your house is an asset show parents why they can ' t rely on the school system to teach their kidsabout money define, once and for all, an asset and a liability explain the difference between good debt and bad debt teach you to see the world of money from different perspectives discuss the shift in mindset that can put you on the road to financial freedom

"With updates for today's world and 9 new study session sections."

This special just-for-teens edition builds a foundation of self-confidence from which readers can realize their dreams of financial security in an increasingly challenging and unreliable job market. Teen-friendly advice, examples, sidebars and straight talk will supplement all of Rich Dad's core advice: Work to learn, not to earn. Don't say "I can't afford it"--Instead, say "How can I afford it" " And don't work for money - make money work for you! No matter how confident or "good in school" readers consider themselves to be, this makes financial intelligence available to all young people with its streamlined structure, clean design, and accessible voice.
