You won't find wizards or elves in her book, but very believable characters that any young person can relate to, and strong, unhidden themes of love, loyalty, sacrifice, and honor.

The City of Rivers is what River Secrets was originally going to be called. But Shannon Hale (the fantastic writer of the book) changed it to River Secrets instead. Even though the title was changed, I still call it City of Rivers in my head. Sounds better. River Secrets is Shannon Hale's newest book, and she did not disappoint her readers with it.

The Books of Bayern Series by Shannon Hale

The Columbia River Series brings together the best loved characters of Kendra Elliot's books. This law enforcement series delves into criminal cases using forensics, colorful characters, and the vivid imagery of Oregon.

War between Bayern and Tira is finally over. To cement the peace with their old sworn enemies, a group from each kingdom will cross to the other for a 'season of friendship'. At first all is well, but mysterious events in the Tiran capital arouse suspicions and anger bubbles just beneath the surface. Enna's friend Razo must find out who is masterminding these events before it's too late and they find themselves trapped in the heart of Tira as war breaks out.

In this third book in New York Times bestselling, Newbery Honor-winning author Shannon Hale's beloved YA fantasy series Books of Bayern, Razo must become the unlikely hero his country needs. Razo has never considered himself anything but ordinary--and certainly not a great soldier. So he's sure it's out of pity that his captain asks him to join an elite mission escorting the ambassador into Tira, Bayern's greatest enemy. But when the Bayern arrive in the strange southern country, it's Razo who discovers the first dead body. He is also the only Bayern able to befriend the right people--potential allies who can provide information about the ever-increasing murders--like the beautiful Lady Dasha. If Razo can embrace his talents, he might be the only one who can get the Bayern soldiers home alive. This third book in award-winning, bestselling author Shannon Hale's beloved Books of Bayern series returns with a gorgeous brand new cover.

Growing up near the Sabine, journalist Wes Ferguson, like most East Texans, steered clear of its murky, debris-filled waters, where alligators lived in the backwater sloughs and an occasional body was pulled from some out-of-the-way crossing. The Sabine held a reputation as a haunt for a handful of hunters and loggers, more than a few water moccasins, swarms of mosquitoes, and the occasional black bear lumbering through swamp oak and cypress knees. But when Ferguson set out to do a series of newspaper stories on the upper portion of the river, he and photographer Jacob Croft Botter were entranced by the river's subtle beauty and the solitude they found there. They came to admire the self-described "river rats" who hunted, fished, and swapped stories along the muddy water—plain folk who love the Sabine as much as Hill Country vacationers love the clear waters of the Guadalupe. Determined to travel the rest of the river, Ferguson and Botter loaded their gear and launched into the stretch of river that charts the line between the states and ends at the Gulf of Mexico. The amnesiac patient in the makeshift Amazon hospital looks familiar to visiting American nurse Amy Graham. This isn't the first time she's seen those blue-gray eyes, the hard lines of his handsome face. When Amy sees his birthmark, she knows exactly who he is: Micah McKnight, the presumed-dead Navy SEAL. Her best friend's brother. The man her own mother set up to die. Amy can't bear to tell him the dangerous truth about his hidden past. But her secrets are about to explode, because now someone is after them both.

In this second book in New York Times bestselling, Newbery Honor-winning author Shannon Hale's beloved YA fantasy series Books of Bayern, the fire could save Enna . . . or destroy her. Enna's brother, Leifer, has found the secret to an extraordinary power--to make fire without a spark. It's an ability that could be used for good . . . if he can control it. But Enna can't decide if it's a power she wants for herself, or one that should be extinguished forever. When their home country of Bayern goes to war, the choice becomes unbearable. Enna never imagined the warm, life-giving energy of fire could destroy anything she loves, but now she must try to save Bayern and herself before fire consumes her entirely. When a controversial politician is murdered in cold blood, Baton Rouge Police Detective Wallace Hartman struggles to find the killer amid conspiracies and corruption in River of Secrets, a gripping new mystery from Roger Johns. Herbert Marioneaux, a Louisiana politician infamous for changing his mind on hot-button issues, has been murdered and his body posed to send a message. Baton Rouge homicide detective Wallace Hartman has to figure out who's sending that message. DNA points to Eddie Pitkin, a social justice activist who also happens to be the half-brother of Wallace's childhood best friend. But even with the combative history between Pitkin and Marioneaux, murder seems out of character for Pitkin, whose usual MO is to confront the wealthy and powerful with their inconvenient past. As Wallace digs deeper, she unearths a possible alibi witness, along with evidence of a deeply troubled relationship that points the finger of suspicion at Marioneaux's son. While Eddie's supporters are convinced of his innocence, his enemies are equally certain of his guilt. Under pressure from all directions, Wallace pursues her investigation into the dark heart of the political establishment as Baton Rouge falls under the shadow of escalating violence. When it appears a police department insider may be sabotaging her efforts by leaking information about the case, and after menacing messages are left for her and her loved ones, Wallace is forced to untangle a trail of old and disturbing secrets unaided by those she most needs to trust.

'Hale's writing is beautiful, with a vivid eye for detail' Daily Telegraph Anidora-Kiladra Talianna Isilee, Crown Princess of Kilindree, spent the first years of her life listening to her aunt's incredible stories, and learning the language of the birds. Little knowing how valuable her aunt's strange knowledge would prove to be when she grew older. From the Grimm's fairy tale of the princess who became a goose girl before she could become a queen, Shannon Hale has woven an incredible, original and magical tale of a girl who must understand her own incredible talents before she can overcome those who wish her harm. Shannon Hale has drawn on her incredible gift for storytelling to create a powerful and magical grown-up fairytale.

When a beautiful princess refuses to marry the prince her father has chosen, her father is furious and locks her in a tower. She has seven long years of solitude to think about her insolence. But the princess is not entirely alone - she has her maid, Dashti. Petulant and spoilt, the princess eats the food in their meagre store as if she were still at court, and Dashti soon realises they must either escape or slowly starve. But during their captivity, resourceful Dashti discovers that there is something far more sinister behind her princess's fears of marrying the prince, and when they do break free from the tower, they find a land laid to waste and the kingdom destroyed. They were safe in the tower, now they are at the mercy of the evil prince with a terrible secret. Thrilling, captivating, and a masterful example of storytelling at its best. The princess's maid is a feisty and thoroughly modern heroine, in this wonderfully timeless story.
