Robert's Rules of Order Newly Revised, commonly referred to as Robert's Rules of Order, RONR, or simply Robert's Rules, is the most widely used manual of parliamentary procedure in the United States. It governs the meetings of a diverse range of organizations-including church groups, county commissions, homeowners associations, nonprofit associations, professional societies, school boards, and trade unions-that have adopted it as their parliamentary authority. The manual was first published in 1876 by US Army officer Henry Martyn Robert, who adapted the rules and practice of Congress to the needs of non-legislative societies. Ten subsequent editions have been published, including major revisions in 1915 and 1970. The copyright to Robert's Rules of Order Newly Revised is owned by the Robert's Rules Association, which selects by contract an authorship team to continue the task of revising and updating the book. The 11th and current edition was published in 2011. In 2005, the Robert's Rules Association published an official concise guide, titled Robert's Rules of Order Newly Revised In Brief. A second edition of the brief book was published in 2011.

"How to properly document your nonprofit's actions"--Cover.

Business Organizations: A Transactional Approach, Third Edition, by William K. Sjostrom, Jr., teaches from a transactional perspective and shows how the legal concepts are written in the real world. It has numerous actual provisions from the various documents corporate lawyers draft and review, so that students gain a sense for what corporate lawyers do in practice. With content selected through a corporate lawyer lens, and emphasis on real-world provisions, this is the only Business Organizations casebook on the market allowing students to work with complete transactional documents (e.g., limited liability partnership agreements, LLC operating agreements, certificates of designation, warrant agreements, and shareholders' agreements). Featuring numerous exercises, designed to reinforce the covered material and help students develop the planning and problem-solving skills of a corporate lawyer as well as expose students to the documents and issues at the heart of a transactional practice, the book also contains more narrative and fewer cases—legal concepts are covered in concise explanatory text instead of judicial opinions. New to the 3rd Edition: Expanded coverage of LLCs in light of their increasing importance Newer cases involving widely recognized companies (Priceline.com, Tesla) Updated and improved corporate documents Coverage of 2018 changes to federal income taxation of individuals and businesses Professors and students will benefit from: Straightforward text makes it easier to teach complicated concepts Numerous exercises make the book ideal for problem method teaching Practice-oriented—students exposed to real-world provisions and agreements Transaction-oriented—students get a sense for what corporate lawyers do Problem oriented—students get to repeatedly apply what they've learned

Risk Management Handbook for Health Care Organizations, Student Edition This comprehensive textbook provides a complete introduction to risk management in health care. Risk Management Handbook, Student Edition, covers general risk management techniques; standards of health care risk management administration; federal, state and local laws; and methods for integrating patient safety and enterprise risk management into a comprehensive risk management program. The Student Edition is applicable to all health care settings including acute care hospital to hospice, and long term care. Written for students and those new to the topic, each chapter highlights key points and learning objectives, lists key terms, and offers questions for discussion. An instructor's supplement with cases and other material is also available. American Society for Healthcare Risk Management (ASHRM) is a personal membership group of the American Hospital Association with more than 5,000 members representing health care, insurance, law, and other related professions. ASHRM promotes effective and innovative risk management strategies and professional leadership through education, recognition, advocacy, publications, networking, and interactions with leading health care organizations and government agencies. ASHRM initiatives focus on developing and implementing safe and effective patient care practices, preserving financial resources, and maintaining safe working environments.
