Provides a comprehensive, easy-to-follow summary of how search engines work, along with helpful techniques for fundamental Web site optimization, including techniques of analysis and ongoing maintenance, search engine marketing tools, and more. Original.

Google processes nearly 6 billion searches every day--making it a powerful advertising medium your business can't afford to ignore. Google AdWords experts Perry Marshall and Bryan Todd, joined by AdWords and analytics specialist Mike Rhodes, present the fundamentals, techniques, tools, and tricks that Google should teach you, but doesn't. This latest edition introduces revised, expanded, and new chapters covering Enhanced Campaigns, Google AdWords Express, and Google's Product Listing Ads, as well as an introduction to Google's Universal Analytics. You'll learn how to: Master Enhanced Campaigns, Google Shopping Campaigns, and Google Analytics Implement flexible bid strategies that keep you on budget Triple traffic with Google's Display Network Profit using local advertising Corner the second largest search engine with YouTube ads Avoid costly mistakes made by most Google advertisers Chisel your way into tough markets Write killer advertising and website copy that gets clicks Determine what is and isn't working with Google's AdWords

The electronic age is bringing sweeping changes to entertainment and media of all kinds, including publishing, broadcasting and film. Multimedia, the Internet and other digital media outlets for entertainment and information are being refined at a rapid rate. Media giants are merging and making big acquisitions. This book covers these exciting developments and provides profiles on hundreds of leading firms in film, radio, television, cable, new media, and publishing of all types including books, magazines and newspapers. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. You'll get in-depth profiles of nearly 400 of the world's top Entertainment & Media firms: our own unique list of companies that are the leaders in this field. Here you'll find complete profiles of the hot companies that are making news today, the largest, most successful corporations in all facets of the Entertainment and Media Business, from broadcasters to film production companies, casino operators to theme park companies, publishers of books and magazines to video game designers, and much more. Our corporate profiles include executive contacts, growth plans, financial records, address, phone, fax and much more. This innovative book offers unique information, all indexed and cross-indexed more for each firm! Our industry analysis section provides an exceptional discussion of business and market trends. The book includes statistical tables covering revenues for several industry sectors. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data.

The Senior Sleuth's Guide to Technology for Seniors provides an overview of products that help make senior citizens' lives more graceful, independent, invigorating and fun. In this book, the Senior Sleuth will investigate computers, the Internet, and modern technologies related to health and medication management, independent living, communication, travel and transportation, and home entertainment. This lighthearted reference book provides both seniors and their caregivers with a comprehensive look at the types of technologies being produced for their specific needs.

Make the most of your wireless network...without becoming a technical expert! This book is the fastest way to connect all your wireless devices, get great performance with everything from streaming media to printing, stay safe and secure, and do more with Wi-Fi than you ever thought possible! Even if you've never set up or run a network before, this book will show you how to do what you want, one incredibly clear and easy step at a time. Wireless networking has never, ever been this simple! Who knew how simple wireless networking could be? This is today's best beginner's guide to creating, using, troubleshooting, and doing more with your wireless network...simple, practical instructions for doing everything you really want to do, at home or in your business! Here's a small sample of what you'll learn:

- Buy the right equipment without overspending
- Reliably connect Windows PCs, Macs, iPads, Android tablets, game consoles, Blu-ray players, smartphones, and more
- Get great performance from all your networked devices
- Smoothly stream media without clogging your entire network
- Store music and movies so you can play them anywhere in your home
- Keep neighbors and snoopers out of your network
- Share the files you want to share--and keep everything else private
- Automatically back up your data across the network
- Print from anywhere in the house--or from anywhere on Earth
- Extend your network to work reliably in larger homes or offices
- Set up a "guest network" for visiting friends and family
- View streaming videos and other web content on your living room TV
- Control your networked devices with your smartphone or tablet
- Connect to Wi-Fi hotspots and get online in your car
- Find and log onto hotspots, both public and hidden
- Quickly troubleshoot common wireless network problems

Michael Miller is the world's #1 author of beginning computer books. Ainsley Apple is bored with playing in the woods near her orchard home and wants to go on an adventure. Journey with Ainsley and her good friend Peyton Pear as they set off to uncover the truth about the mysterious onions who live over the hill. Are onions really creepy, nasty, and yucky like everyone in Bloom Valley says? Discover what Ainsley and Peyton learn about onions and themselves when they meet Owen Onion.
