Roman McNamara is not only the president of the Savage Kings of Myrtle Beach, South Carolina but he's also the king of one-night stands. Growing up in a tourist town where there's a party every night means living up the good life with no commitments to anyone but the MC. There's just one woman Roman can't get off his mind no matter how hard he tries... Five years ago, Charlotte Newson's husband, Adam, died for his country. She hasn't been able to move past the death of her best friend and soulmate and fears she never will. When tragedy strikes during a bachelorette weekend, Roman and Charlotte's paths finally cross in the most unexpected way. Charlotte has no idea that Roman served in the Marines with her husband, or that he's been keeping an eye on her for years, all while continuing to keep her husband's secrets. While there is a HEA for the couple, the MC's quest for vengeance will continue through the next two books in this series.

Evil comes in many forms, and right now it

He is my biggest temptation... Logan is a complication I didn't count on. I need to stay away-too many lives depend on it. One wrong move and everything around me will crumble. But his graveled voice calls to me. His wicked smile takes my breath. His deep blue eyes intoxicate me. His heated touch seduces me. And his hard body promises hot nights beyond my dirtiest fantasies. Saying yes would be wrong. But being wrong feels so good.

Verek Rhodes is playboy royalty in South Carolina. As a member of the Savage Kings MC and the manager of a nightclub, women were easy come, easy go in his life, until he met Tessa. Tessa Singleton was getting ready to marry the man of her dreams before her entire world came crashing down. She's spent the past few months in therapy, trying to heal her emotional wounds. The one ray of light in her bleak world is Verek. Being with the easygoing biker keeps Tessa distracted from the darkness. Her fiancé Paul, on the other hand, doesn't have a clue how broken she is and probably never will since Tessa can't find the courage to open up to him. Eventually, Tessa will have to face her past and make a decision about who she wants to be with. Will she choose the man she once loved or the one who saved her from her nightmares?

There are few things people know about me. I'm Scottish.I really hate pants. And Poodle is me best friend. But,There are always butts. There is one thing people don't know. Me love for fightin'. I come from a long line of fighters. I live it. I breathe it. Flesh. Blood And brass knuckles. It's me way of life. So I fight, legally. No one knows. I wanted to keep it a secret, but MC life exposes everyone's secrets. One secret? There's a woman I have me eye on. A woman who's off limits. She's an opponent's girl. A rival. An Irish bloke who comes from a powerful family. He isn't abusive in just the ring, but to her too. Bruises litter her beautiful face. She doesn't give me the time of day. Until she is dumped on the side of the desert road. She's mine now. Fuck her boyfriend's power. I'll kill him. For her.

Honor. Courage. Commitment. Three things Jesse Carter has lost. A former Marine, Jesse used to stand proud of his achievements and live by the code. But when circumstance made him question everything he believed in, those most basic values didn't feel so important after all. Sex. Lies. Knights Rebels. Three things Jesse Carter has found. Reborn into a brotherhood not so different from the one he left behind, Jesse finds it all too easy to block out his past and claim the role as Rebels' fun-loving player. Until he meets Bell. Shy, awkward, and with troubles of her own, Bell Johnson's no stranger to hiding her pain. When Jesse forces himself into her life, she's at risk of her defences crumbling. Does Bell have the strength to survive Jesse and his demons or is she fated to become another casualty in the self-destruction of Jesse Carter

I'm too dark for her light. I am who I am, and I won't apologize for it. I don't know how to be... Normal. I have my reasons. I've been through hell. I've touched the flames themselves and I've danced with the devil. Intimately. Damnation torched my soul until it was black. Then I see her. I'm enthralled, but I can't speak to her. She's too pure. Too fragile. Too innocent. She doesn't need to see my torched soul. She doesn't need to taste my damnation. I watch what I can't have. I swear I'll protect her. Even if she doesn't know I'm there. I get more...Enthralled. She loves books. I wonder if I could love them too. She loves wine. I imagine us sharing a glass. Imagination. What a tease. Enthralled. Entranced. Obsessed. She feels me there. Sees me out of the corner of her eye. I'm the reason the hair on the back of her neck is standing up. But I stay in the shadows where I belong. Until I can't. Until the day I see her cry. Those tears feel like open wounds. I want to heal them. But all she does is run. So I follow. Enthralled. Entranced. Obsessed. RUTHLESS. I won't stop until she no longer has a reason to cry. Even if it means I have to ride through the fires of hell one more time.

Love is a powerful force, but it doesn't compare to guilt. And just like most people, my guilt eats me alive. I went from being an irresponsible kid who didn't know any better to an irresponsible man who does. I make no apologies. Don't take my carelessness for strength. My blood is as deadly as the bullet that killed my brother, and once I'm cut, there's no stopping the river of rage. My past is dead. I'm not like my MC brothers. Nothing is going to come bite me in the ass. Or so I thought. Because life gave me Mary, the little hellraiser who tries to be reckless. She's only looking to escape the nightmare of what happened to her in Atlantic City. She's a good girl. The kind to wear pearls and fancy cardigans. She doesn't belong in this life. Even if I know she belongs with me. She paints her lips in red lipstick, but I know it's an effort to hide the pain. There's more than the fact we are too different to be together. Her past isn't dead. And mine has come back to life.

Phoenix 'Nix' Knight thought pulling his club out of the illegal shit his Pops got them into was difficult. Until he meets Kadence. Kadence Turner has no business lusting over a student's father, especially the president of the Knights Rebels MC. Nix is crass, obnoxious and dangerously sexy and for some reason, Kadence can't seem to hate him for it. The bossy biker breaks down her defenses, but unlike the old Kadence, the woman she is today won't give in without a fight. The tension is undeniable, the attraction fierce. A man that wants what he wants and a woman that will fight him every step of the way.
