Save Me is book 3 in the Make or Break series. While it can be read as a standalone, I recommend reading the first two books because all of the characters from the previous books play a part in Save Me. The first chapter can be kind of confusing if you dont have previous knowledge of the characters.

save your relationship,
but it could also destroy
it. In this article, I'm
going to describe 7
scenarios where taking a
break is a good idea and
3 scenarios where it
clearly isn't. After that,
I'll explain how to
make the break
successful (if you decide
to go through with it).
We have a lot to go over
so let's get ...
