The Scania low floor city bus and coach range was introduced by Scania in 1997 as a successor to the 3-series bus range.. The 4-series bus range was first presented in September 1996, when the integral low-floor city bus OmniCity was revealed.

Production of the chassis range started in second half of 1997, and by the end of 1998 all worldwide production facilities had changed from 3-series to ...
