" ... Contains over 130 practical classroom activities suitable for beginners to more advanced learners, incorporating a wide range of up-to-date tools, such as mobile technologies and social networking"--Cover, page [4].

Scott Thornbury's very accessible 30 Teaching Methods, groups methods according to what they have in common, even if separated in time. At the same time, it rehabilitates some lost or forgotten methods, with a view to challenging current orthodoxies, especially with regard to such topics as translation, rote learning, authenticity, and communication. In doing this it aims to unpack, not just the history of methods, but the beliefs that underpin them and the benefits that still might possibly accrue from experimenting with them. Through its

inclusion of interesting characters, intriguing anecdotes, and often bizarre techniques, the material is absorbing and engaging.

An easy-to-read book which takes a fresh look at a range of language teaching methods.

As teachers we often talk about 'covering' grammar points. Scott Thornbury explains why it is more useful to think about how we 'uncover' grammar, to reveal the workings of the system to our students and encourage them to notice what is going on. The book uses extracts from exchanges in real classrooms, authentic texts and language teaching tasks. It provides lots of practical activities so that you can immediately and easily put the ideas to work in your classroom.

"Classroom Management Techniques offers a huge range of down-to-earth, practical techniques that will help teachers make the most of their teaching space and get students working in more focused ways.

The book helps teachers anticipate and avoid problems in the classroom, allowing more time to be devoted to useful, meaningful activities."--Publisher.

Intercultural Language Activities offers practical teaching ideas which encourage learners to reflect on their own language and culture, as well as that of others. Topics covered in the fourteen chapters include childhood, food, sport, icons, politics and body language. The book also helps learners mediate in situations of cultural misunderstanding and start web-based intercultural exchanges. It examines interview techniques, how people present themselves, and ways to interpret cultural symbols and characteristics, such as those found in postcards, advertisements and online newspapers. In engaging with these topics, learners become intercultural explorers and raise their level of communicative competence. This is an invaluable resource for any teacher who wishes to combine language learning with cultural exploration. In addition, the accompanying CD-ROM provides print-friendly photocopiable worksheets and reading texts which can be put to immediate use.

A lively introduction to the theory and research surrounding the adult learning of ESOL, this unique book examines the social and
