About this Item: Boy Scouts of America, New York, 1944. Original wraps. Condition: Very Good. First Edition, First Printing. 5 1/4 X 8 Inches. 540 PP. Scarce original Scout Field Book in illustrated brown paper wraps. A nice, early companion to the Boy Scout Handbook, which is much easier to locate than this rarity. A very clean copy overall.

Scouting, First Edition - AbeBooks

The 10th Edition represents a Scouting program very similar to the program in use before The BSA even changed the background colors of most of its badges to be more similar to the pre badges, including the return to green bars for troop offices instead of the silver and gold bars used from The Handbook drops the skill awards, but still groups skills by subject rather than by rank information for the lower ranks is flagged with a 'T', '2', or '1' for Tenderfoot, Second Class, and First Class.

A reprint of the first Boy Scouts handbook from 1911 covers woodcraft, camping, signs and signaling, first aid, chivalry, and games.

Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals, Scouting magazine offers editorial content that is a mixture of information, instruction, and inspiration, designed to strengthen readers' abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families.

Original Boy Scout Handbook is the official handbook of the Boy Scouts of America. It is a descendant of Baden-Powell's original handbook, Scouting for Boys, which has been the basis for Scout handbooks in many countries, with some variations to the text of the book depending on each country's codes and customs. The original edition of the handbook was based on Baden-Powell's work. Ernest Thompson Seton combined his Woodcraft manual, the Birch Bark Rolls, with Baden-Powell's Scouting for Boys. Subsequent works were done by other authors. William "Green Bar Bill" Hillcourt wrote the 6th, 7th, and 9th editions. Frederick L. Hines wrote the 8th, and Robert Birkby the 10th, 11th and 12th editions. The first Official Handbook, subtitled A Handbook of Woodcraft, Scouting, and Life-craft was published from July 1910 until March 1911 and appeared in eight distinct variations. It was written by Ernest Seton and drew greatly on Baden-Powell's Scouting for Boys, it included information on the organization of Scouting, signs and signaling, and camping, as well as Scouting games and a description of several Scouting honours. Notably, this book did not place emphasis on first aid, knife and axe use, or map and compass work, as later editions would. Because this edition was intended solely as a temporary guide until an authoritative handbook could be made, it is now known as the 1910 Original Edition Handbook. In a timely contribution to current debates over the psychology of boys and the construction of their social lives, On My Honor explores the folk customs of adolescent males in the Boy Scouts of America during a summer encampment in California's Sierra Nevada. Drawing on more than twenty years of research and extensive visits and interviews with members of the troop, Mechling uncovers the key rituals and play events through which the Boy Scouts shapes boys into men. He describes the campfire songs, initiation rites, games, and activities that are used to mold the Scouts into responsible adults. The themes of honor and character alternate in this new study as we witness troop leaders offering examples in structure, discipline, and guidance, and teaching scouts the difficult balance between freedom and self-control. What results is a probing look into the inner lives of boys in our culture and their rocky transition into manhood. On My Honor provides a provocative, sometimes shocking glimpse into the sexual awakening and moral development of young men coming to grips with their nascent desires, their innate aggressions, their inclination toward peer pressure and violence, and their social acculturation. On My Honor ultimately shows how the Boy Scouts of America continues to edify and mentor young men against the backdrop of controversies over freedom of religious expression, homosexuality, and the proposed inclusion of female members. While the organization's bureaucracy has taken an unyielding stance against gay men and atheists, real live Scouts are often more open to plurality than we might assume. In their embrace of tolerance, acceptance, and understanding, troop leaders at the local level have the power to shape boys into emotionally mature men.

Originally published: London: H. Cox, c1908.

Illustrations by Norman Rockwell complement a camping primer that draws on the experience of scouting authorities to cover such subjects as hiking, gear, plants and animals, ropework, cooking, maps and compasses, safety, and survival

Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals, Scouting magazine offers editorial content that is a mixture of information, instruction, and inspiration, designed to strengthen readers' abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families.

"Please note that this is not 'The Official Boy Scout Handbook'. It is a collection of my essays and reviews and bagatelles on appearances, institutions, and society, writers, travel, and war written over the past fifteen years or so, and written on very different occasions and for different purposes."--Preface.
