Franchise Desk Book is your primary reference to the text of generally applicable franchise registration, disclosure and relationship statutes and accompanying regulations. You'll benefit from the expert commentary on franchise statutes and cases that provide you with a look behind the scenes with respect to the covered state's laws. In addition, this manual includes annotations of reported and unreported cases that are arranged and keyed to topics that franchise lawyers need and can understand, such as franchise fees, exemptions from registration and more. The unique annotation system that is designed specially for franchise lawyers will allow you to put your finger on cases that focus upon the issues that matter most.
