Secret Maneuvers was the first book in the Ex Ops series by Jessie Lane. Although I've read a collaboration series by Lane with Chelsea Camaron previously, this was my first solo writing by Lane. This was a second chance romance. And I'm a sucker for second chances. Annabelle "Belle" Smith and Bobby Baker were childhood sweethearts.

Secret Maneuvers (Ex Ops Series Book 1) by Jessie Lane (1) Prologue. Annabelle. The Georgia summer night air was hot and humid, but that didn't stop me from cuddling as close as I could get to the boy I loved most in this world. The sweet smell from the azalea blossom that Bobby Baker had tucked behind my ear drifted around me, creating a false sense of security.

Received an ARC for an honest review. This is the first book of the spin off series for Ex Ops. Jessie Lane gave me a book that kept my interest with a few tears and some laughter. She gives you a full journey with Ginny and Lucas. These two have decisions that are tough to make but can only have hope in the end.
