In "The Power of Neuroplasticity," Shad Helmstetter, Ph.D., presents the scientific discovery that the thoughts we think physically rewire and reshape our brains and change our lives. Dr. Helmstetter shows how to use the latest research from the field of neuroscience to wire your brain to change attitudes, overcome negativity, improve health and fitness, reach personal goals, increase mental sharpness and clarity, improve usable IQ, super-charge your thinking and reshape your life, all with neuroscience on your side.

Based on more than 25 years of research in the field of motivational behavior, bestselling author Dr. Shad Helmstetter reveals the actual difference between people who succeed in their lives - day after day - and people who don't. For the first time in any book, Shad Helmstetter discloses three underlying breakthrough concepts that are foundational to successful personal and professional growth in each of us. He discovered that when the three concepts are combined, they virtually guarantee success. In an easy-to-follow program that takes the self out of self-help, Dr. Helmstetter shows the reader how to use these breakthrough concepts to lose weight and improve physical fitness, increase income, build self-esteem and self-confidence, improve family and relationships, reduce stress, and become more organized and in control. Presenting the most important and up-to-date findings from the field of motivational research, Dr. Helmstetter immediately helps the reader get rid of old mental programs, find focus, set and track goals, stay motivated, and have help along the way

Each of us learns more than 20,000 words in our lifetime. The 'success people'--the people who have the greatest sense of well-being and peace of mind--focus on a short, select group of these words. By using these special words often, they become wired into the brain of the person who uses them, guiding the person in everything they do. Hidden in plain sight, these are the "secret words of success." Based on more than 35 years of work in the field of personal growth, in this remarkable book, Shad Helmstetter brings to light the special words you can use to literally rewire the software of your brain with positive programs of success, well-being, and peace of mind. Along with the most important success words and their meanings, Dr. Helmstetter has also included specially-worded self-talk phrases to help you immediately apply each of the words in the most effective way. Special reader support tools. Making this book even more helpful is an impressive list of downloadable support materials that are available to the reader at no cost. These optional extras include: \* The 68-page 'Secret Words Workbook' designed to be used by individual readers, or for groups or organizations. \* The parchment-style 'Secret Words Wall Poster' listing all of the secret words-to keep the special words in front of you in your home or office. \* Easy-to-use goal-setting forms for your personal use.
