Service Engine Soon Light Meaning. If the 'Service Engine Soon' light comes on, it means that there is a minor problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement. Some manufacturers only have one indicator for both scheduled service and engine problems.

~~Service Engine Soon Light [How to fix it?]~~ Meaning & Causes

The service engine soon light can also be triggered by problems with your most recent fill-up of gasoline. If you got gas in the last couple of days and suddenly the service engine soon light is on, that is a good place to start your investigation.
