The Acerra family had sixteen children, including twelve ball-playing boys. It was the 1930s, and many families had lots of kids. But only one had enough to field a baseball team . . . with three on the bench! The Acerras were the longest-playing all-brother team in baseball history. They loved the game, but more important, they cared for and supported each other and stayed together as a team. Nothing life threw their way could stop them. Full of action, drama, and excitement, this never-before-told true story is vividly brought to life by Audrey Vernick's expert storytelling and Steven Salerno's stunning vintage-style art.

This book is a natural for a teacher study group. It is well worth the time spent reading and discussing with colleagues because the ideas it holds are basic to rethinking and transforming vocabulary teaching. -Karen Bromley Binghamton University, SUNY How do you teach students the words that are crucial to unlocking the concepts in your content area? Until now "assign, define, test" has been the default strategy. But with *Word Wise* and *Content Rich*, Douglas Fisher and Nancy Frey bring vocabulary in out of the cold and into the heart of daily classroom practice in English, math, science, and history. *Word Wise* and *Content Rich* offers a five-part framework for teaching vocabulary that's tailored to the needs of adolescent learners yet mindful of the demands on content-area teachers. Grounded in current research, this framework gives students the multiple encounters necessary to lock in the meaning of new words forever. Fisher and Frey's five-step model shows you how to: Make it intentional: select words for instruction and use word lists and up-to-date website lists wisely Make it
