Sideways on a Scooter Life and Love in India by Kennedy:--

Overview. When twentysomething reporter Miranda Kennedy leaves her job in New York City and travels to India with no employment prospects, she longs to immerse herself in the turmoil and excitement of a rapidly developing country. What she quickly learns in Delhi about renting an apartment as a single woman—it ' s next to impossible—and the proper way for women in India to ride scooters—perched sideways—are early signs that life here is less Westernized than she ' d counted on.

As someone who knows next to nothing about India, I found her book engrossing and eye-opening.

Sideways on a Scooter: Life and Love in India by Miranda:--

The title of the book, " Sideways on a Scooter ", refers to the socially-approved method for women to ride a scooter in India. Metaphorically, it describes India as a country - straddling both new technology, modernity and economic promise, and prim Victorian morality and ancient religious and social customs.

Sideways On A Scooter Life And Love In India

Part memoir, part in-depth reporting on an ancient culture in the throes of modernization, Sideways on a Scooter (Random House, 2011) closely examines the lives of six women in India — some of them privileged, some very poor. The title refers to the modest way in which Indian women are expected to sit on the back of scooters and motorcycles.

Sideways on a Scooter / Miranda Kennedy

Incisive, witty, and written with a keen eye for the lush vibrancy of the country that Kennedy comes to love, Sideways on a Scooter is both a remarkable memoir and a cultural revelation.

Sideways On A Scooter

When twentysomething reporter Miranda Kennedy leaves her job in New York City and travels to India with no employment prospects, she longs to immerse herself in the turmoil and excitement of a rapidly developing country. What she quickly learns in Delhi about renting an apartment as a single woman—it ' s next to impossible—and the proper way for women in India to ride scooters—perched sideways—are early signs that life here is less Westernized than she ' d counted on. Living in Delhi for more than five years, and finding a city pulsing with possibility and hope, Kennedy experiences friendships, love affairs, and losses that open a window onto the opaque world of Indian politics and culture—and alter her own attitudes about everything from food and clothes to marriage and family. Along the way, Kennedy is drawn into the lives of several Indian women, including her charismatic friend Geeta—a self-described " modern girl " who attempts to squeeze herself into the traditional role of wife and mother; Radha, a proud Brahmin widow who denies herself simple pleasures in order to live by high-caste Hindu principles; and Parvati, who defiantly chain-smokes and drinks whiskey, yet feels compelled to keep her boyfriend a secret from her family. In her effort to understand the hopes and dreams that motivate her new friends, Kennedy peels back India ' s globalized image as a land of call centers and fast-food chains and finds an ancient place where, in many ways, women ' s lives have scarcely changed for centuries. Incisive, witty, and written with a keen eye for the lush vibrancy of the country that Kennedy comes to love, Sideways on a Scooter is both a remarkable memoir and a cultural revelation.

A NEW YORK TIMES NOTABLE BOOK It is 1901 and Buffalo, New York, stands at the center of the nation's attention as a place of immense wealth and sophistication. The massive hydroelectric power development at nearby Niagara Falls and the grand Pan-American Exposition promise to bring the Great Lakes " city of light " even more repute. Against this rich historical backdrop lives Louisa Barrett, the attractive, articulate headmistress of the Macaulay School for Girls. Protected by its powerful all-male board, " Miss Barrett " is treated as an equal by the men who control the life of the city. Lulled by her unique relationship with these titans of business, Louisa feels secure in her position, until a mysterious death at the power plant triggers a sequence of events that forces her to return to a past she has struggled to conceal, and to question everything and everyone she holds dear. Both observer and participant, Louisa Barrett guides the reader through the culture and conflicts of a time and place where immigrant factory workers and nature conservationists protest violently against industrialists, where presidents broker politics, where wealthy " Negroes " fight for recognition and equality, and where women struggle to thrive in a system that allows them little freedom. Wrought with remarkable depth and intelligence, City of Light remains a work completely of its own era, and of ours as well. A stirring literary accomplishment, Lauren Belfer's first novel marks the debut of a fresh voice for the new millennium and heralds a major publishing event.

Without sparing the embarrassing details, Balbirer chronicles the two decades she spent as a struggling actress in the trenches of show business. From the searing purist tutelage of David Mamet at NYU Drama School ("In show business, women who are lucky enough to find employment are asked to do only two things in every role they ever play: take your shirt off and cry") to her bizarre 1 AM Saturday Night Live audition for Lorne Michael, Balbirer recounts her sometimes disappointing, sometimes painful, and always bizarre adventures. Among the stories in Take Your Shirt Off and Cry is "Friendly Fire," which is about Nancy's friendship and eventual falling out with a good friend who went on to become a huge star with a top-rated sitcom. Fame may not have knocked on her door, but it certainly slept on her couch. Take your Shirt Off and Cry is an utterly engaging, deeply personal, and absurdly comic memoir from a one-of-a-kind talent.

A young journalist from the Midwest describes her sojourn in Iraq as the Baghdad Bureau Chief for the "Washington Post," detailing what it is like to cover a war under the constant threat of kidnapping, injury, and death.

A vibrant new voice . . . a modern classic. For generations, the Beaumont family has harbored a magical secret. They each possess a " savvy " —a special supernatural power that strikes when they turn thirteen. Grandpa Bomba moves mountains, her older brothers create hurricanes and spark electricity . . . and now it ' s the eve of Mibs ' s big day. As if waiting weren ' t hard enough, the family gets scary news two days before Mibs ' s birthday: Poppa has been in a terrible accident. Mibs develops the singular mission to get to the hospital and prove that her new power can save her dad. So she sneaks onto a salesman ' s bus . . . only to find the bus heading in the opposite direction. Suddenly Mibs finds herself on an unforgettable odyssey that will force her to make sense of growing up—and of other people, who might also have a few secrets hidden just beneath the skin.

*Join former NBC newsmen and Meet the Press moderator David Gregory as he probes various religious traditions to better understand his own faith and answer life's most important questions: who do we want to be and what do we believe? While David was covering the White House, he had the unusual experience of being asked by President George W. Bush "How's your faith?" David's answer was just emerging. Raised by a Catholic mother and a Jewish dad, he had a strong sense of Jewish cultural and ethnic identity, but no real belief—until his marriage to a Protestant woman of strong faith inspired him to explore his spirituality for himself and his growing family. David's journey has taken him inside Christian mega-churches and into the heart of Orthodox Judaism. He's gone deep into Bible study and asked tough questions of America's most thoughtful religious leaders, including evangelical preacher Joel Osteen and Cardinal Timothy Dolan, the Catholic Archbishop of New York. It has brought him back to his childhood, where belief in God might have helped him through his mother's struggle with alcoholism, and through a difficult period of public scrutiny and his departure from NBC News, which saw his faith tested like never before. David approaches his faith with the curiosity and dedication you would expect from a journalist accustomed to holding politicians and Presidents accountable. But he also comes as a seeker, one just discovering why spiritual journeys are always worthwhile"--

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

Shares the touching story of the author and her dog Boo, the runt of an abandoned litter, who became an unlikely hero when he changed countless lives—including hers—through his work as a therapy dog. Reprint.

For readers of Marieke Nijkamp's This Is Where It Ends, a powerful and timely contemporary classic about the aftermath of a school shooting. Five months ago, Valerie Leftman's boyfriend, Nick, opened fire on their school cafeteria. Shot trying to stop him, Valerie inadvertently saved the life of a classmate, but was implicated in the shootings because of the list she helped create. A list of people and things she and Nick hated. The list he used to pick his targets. Now, after a summer of seclusion, Val is forced to confront her guilt as she returns to school to complete her senior year. Haunted by the memory of the boyfriend she still loves and navigating rocky relationships with her family, former friends, and the girl whose life she saved, Val must come to grips with the tragedy that took place and her role in it, in order to make amends and move on with her life. Jennifer Brown's critically acclaimed novel now includes the bonus novella Say Something, another arresting Hate List story.

Vanishing Streets reveals an American writer's twenty-year love affair with London. Beguiling and idiosyncratic, obsessive and wry, it offers an illustrated travelogue of the peripheries, retracing some of London's most curious locations. As J. M. Tyree wanders deliriously in "the world's most visited city," he rediscovers and reinvents places that have changed drastically since he was a student at Cambridge in the 1990s. Tyree stumbles into the ghosts of Alfred Hitchcock, Graham Greene, and the pioneers of the British Free Cinema Movement. He offers a new way of seeing familiar landmarks through the lens of film history, and reveals strange nooks and tiny oddities in out-of-the-way places, from a lost film by John Ford supposedly shot in Wapping to the beehives hidden in Tower Hamlets Cemetery, an area haunted by a translation error in W. G. Sebald's Austerlitz. This book blends deeply personal writing with a foreigner's observations on a world capital experiencing an unsettling moment of transition. Vanishing Streets builds into an astonishing and innovative multi-layered project combining autobiography, movie madness, and postcard-like annotations on the magical properties of a great city. Tyree argues passionately for London as a cinematic dream city of perpetual fascinations and eccentricities, bridging the past and the present as well as the real and the imaginary.
