On today's Nasdaq, volatility and 100 point intraday swings are the norm. Trading on Momentum explains how to take advantage of these new market dynamics by trading stocks based on market momentum rather than traditional valuation methods. The resulting model shows traders how to recognize when the market is changing, determine what is changing and why, then instantly adapt their methods accordingly. Detailed charts and graphs illustrate day trading strategies for quickly identifying market changes, then getting in and out with a quick profit. Traders of all types can turn to Trading on Momentum for pointers on how to: * Determine market dynamics by tracking movement and watching the day's behavior * Confidently identify short-term market tops and bottoms * Master momentum techniques including gainers, dumpers, and gap plays

Bone, Bomu, Bafu, Ngeta and Rock find themselves in Ngando slums having fled the ethnic-based violence in Molo. With little to do, they engage in all manner of trade to eke out a living. The entry of Nancy - stylish sophisticated and shrewd - catapults them into a nightmare that leads to destitution, betrayal, desperation, revenge, friendship and lasting love. This is a story of a new generation that rises above the confines of hatred and retribution and reasserts the inherent goodness in man. Told against the background of the 1992 'tribal' clashes in Kenya, The Last Villains of Molo is one of the most critically acclaimed modern stories. It has been studied in five universities in Kenya and Germany, and is currently being scripted for film.

In 1995, this novel won both the Jomo Kenyatta Literature Prize, and the Commonwealth Writers Prize Best First Book in the Africa Region. Now reprinted, it remains in great demand. An epic story spanning cultures, it tells the lives of three generations of women. It traces the story of Akoko in her rich traditional Luo setting, through to the children who live and die in the 20th century.
