We produce user-friendly, high quality secondary school Social Studies resources for both students and educators. For educators this means that their task should not only be easier, but also result in more effective delivery. For the students, using the Student Workbooks results in greater comprehension and success on assignments and exams. Many of the published resources were developed by Jerry Falk, during his 32 years of teaching at Earl Marriott Secondary in the White Rock area.

Social studies is the study of the social sciences, humanities and history, and has the primary purpose of helping young people make informed decisions as citizens of a democratic society. It teaches young kids how our society functions by studying its history and applying those lessons to current events.

Social Studies Resources (Page 11) | Education.com

Social Studies Workbooks Help your kids learn about history, geography, government, and much, much more. Our social studies workbooks bring history and culture to life with vibrant, colorful illustrations while helping kids develop reading comprehension, writing, critical thinking, vocabulary, and research skills.
