Lid drives from Stabilus offer the right solution for any application. With this philosophy, Stabilus has brought numerous technological approaches to series introduction. In our studies on weight, installation size, and noise optimization, we also focus on the modular concept.

Electrical Motor Drive Systems—
North East Scotland College
Electric Motors and Drives is
intended for non-specialist users
of electric motors and drives,
filling the gap between maths-
and theory-based academic
textbooks and the more prosaic
'handbooks' which provide useful
detail but little opportunity for the
development of real insight and
understanding. The book explores
all of the widely-used ...
