Pocos personajes hay tan apasionantes como Antonieta Rivas Mercado, una mujer que tomó un papel activo ante su mundo, lo que la llevó a ser una de las figuras más notables en el México de inicios del siglo XX. Escritora, bailarina, políglota, promotora del voto femenino, creadora de proyectos culturales, mecenas de los artistas más importantes de aquellos días... Kathryn Blair, esposa del único hijo de Antonieta, llevó a cabo una investigación de veinte años para darnos un retrato íntimo de esta mujer sorprendente. En esta novela descubrimos su vida, desde su primer entorno infantil en una élite cultural, con viajes a Europa y una constante sensación de orfandad frente a la madre, hasta los años decisivos de su etapa adulta, donde se revelan su frágil mundo interior, su ímpetu y sensibilidad artística, sus tormentosos amores y su relación creativa con artistas como Diego Rivera, Carlos Chávez, Manuel Rodríguez Lozano, Tina Modotti, Salvador Novo, Xavier Villaurrutia, el Dr. Atl, Nahui Ollin, entre otros. De forma paralela, la autora nos presenta un fresco histórico del tiempo que le tocó vivir a la protagonista, cuya vida privada se entremezcló de forma permanente con la marcha pública del país: la última década del porfiriato, las turbulentas jornadas de la revolución con las huestes de Madero y de Villa, los días de la Decena Trágica, el derrocamiento de Victoriano Huerta y el acecho de los zapatistas a la capital, la guerra de los cristeros, la etapa postrevolucionaria y la campaña presidencial de José Vasconcelos, proceso que vivió en dos frentes: al convertirse en una pieza fundamental del vasconcelismo, y también en el aspecto sentimental, donde desembocan la ilusión del amor y lo trágico de su destino.

With an introduction by award-winning novelist Colm Tóibín Opening with a crime of passion after a years-long love affair has soured, *The Dead Girls* soon plunges into an investigation of something even darker: Serafina Baladro and her sister run a successful brothel business in a small town, so successful that they begin to expand. But when business starts to falter, life in the brothel turns ugly, and slowly, girls start disappearing . . . Based on real events, the story of serial-killing brothel owners Delfina and María de Jesús González, whose crimes were uncovered in 1964, *The Dead Girls* is a deliciously satirical black comedy - a potent blend of sex and mayhem. Written in the laconic tones of a police report, it cleverly uncovers the hopeless pedantry of a broken justice system, and the dark world of prostitution.

From Marie Benedict, the New York Times bestselling author of *The Only Woman in the Room!* An incredible novel that focuses on one of the people with the most influence during World War I and World War II: Clementine Churchill. In 1909, Clementine steps off a train with her new husband, Winston. An angry woman emerges from the crowd to attack, shoving him in the direction of an oncoming train. Just before he stumbles, Clementine grabs him by his suit jacket. This will not be the last time Clementine Churchill will save her husband. *Lady Clementine* is the ferocious story of the ambitious woman beside Winston Churchill, the story of a partner who did not flinch through the sweeping darkness of war, and who would not surrender to expectations or to enemies. The perfect book for fans of: World War I historical fiction Novels about Women Heroes of WWI Novels about women hidden by

history Biographical novels about the Churchills Recommended by People, USA Today, Glamour, POPSUGAR, Library Journal, and more! Also by Marie Benedict: The Only Woman in the Room The Other Einstein Carnegie's Maid

English Description "In the Shadow of the Angel," which has been called Mexico's "Gone with the Wind," takes place during three transformational decades in Mexican history: 1900-1931, as mirrored by the life of an extraordinary Mexican woman, Antonieta Rivas Mercado. The daughter of the architect of Mexico's famous Independence Monument, popularly known as "The Angel," Antonieta defied tradition and class to bring change to her country, and paid the price for her passionate rebellion. Her roller-coaster life paralleled Mexico's struggle for national identity: the final decade of a long dictatorship that ended in the lavish Centennial celebration of 1910; the chaos wrought by ten years of violent revolution; and the ensuing brutal struggle for power among the Generals who established the social and political order by which Mexico is governed today. Brilliant, educated in Europe, heiress to a fortune, Antonieta became both muse and patron to the young writers, artists and musicians of the 1920s who were eager to join the modern world. The "scandalous" Antonieta consorted with the likes of everyone from Diego Rivera, Frida Kahlo, Tina Modotti, and Garcia Lorca, to bullfighters, Communists and ambassadors. She dared seek a divorce: her ill-fated marriage to Albert Blair, an Anglo-American who came to Mexico to fight in the revolution, and her obsession with a homosexual painter became Antonietas personal via crisis. In 1928 she entered the political arena, championing the cause of womens' voting rights in the campaign of presidential candidate, Jose Vasconcelos, with whom she shared a vision of an educated, just and democratic Mexico. Committed to their mutual goals, Antonieta devoted her heart and her money to his campaign. Caught in the vortex of the fraudulent election of 1929, her lover defeated, violence flaring, fortune gone, she kidnapped her son and fled to Paris. Though an inspiration to so many, the tired, dispirited woman churned with insecurities and conflicting emotions. At the age of thirty, Antonieta Rivas Mercado committed suicide in Notre Dame Cathedral. During Mexico's Bicentennial celebration in 2010, Antonieta was officially recognized as a primary promoter of modern Mexican culture. "

A provocative, globe-trotting, time-shifting novel about the seductions of -- and resistance to -- toxic masculinity. "Frank knew as well as anyone how stories start and how they end. This fiery mess, or something like it, was bound to happen. He had been expecting it for years." Frank Baltimore is a bit of a loser, struggling by as a carpenter and handyman in rural New England when he gets his big break, building a mansion in the executive suburbs of Hartford. One of his workers is a charismatic eighteen-year-old kid from Liverpool, Dmitry, in the US in the summer before university. Dmitry is a charming sociopath, who develops a fascination with his autodidactic philosopher boss, perhaps thinking that, if he could figure out what made Frank tick, he could be less of a pig. Dmitry heads to Asia and makes a neo-imperialist fortune, with a trail of corpses in his wake. When Dmitry's office building in Taipei explodes in an enormous fireball, Frank heads to Asia, falls in love with Dmitry's wife, and things go from bad to worse. Combining the best elements of literary thriller, noir and political satire, *Born Slippy* is a darkly comic and honest meditation on modern life under global capitalism.

Amid the turbulence of World War II, a young German woman finds a precarious haven closer to the source of danger than she ever imagined—one that will propel her through the extremes of privilege and terror under Hitler ' s dictatorship . . . In early 1943, Magda Ritter ' s parents send her to relatives in Bavaria, hoping to keep her safe from the Allied bombs strafing Berlin. Young German women are expected to do their duty—working for the Reich or marrying to produce strong, healthy children. After an interview with the civil service, Magda is assigned to the Berghof, Hitler ' s mountain retreat. Only after weeks of training does she learn her assignment: she will be one of several young women tasting the Führer ' s food, offering herself in sacrifice to keep him from being poisoned. Perched high in the Bavarian Alps, the Berghof seems worlds away from the realities of battle. Though terrified at first, Magda gradually becomes used to her dangerous occupation—though she knows better than to voice her misgivings about the war. But her love for a conspirator within the SS, and her growing awareness of the Reich ' s atrocities, draw Magda into a plot that will test her wits and loyalty in a quest for safety, freedom, and ultimately, vengeance. Vividly written and ambitious in scope, *The Taster* examines the harrowing moral dilemmas of war in an emotional story filled with acts of extraordinary courage. Praise for V.S. Alexander ' s *The Magdalen Girls* “ Fans of Barbara Davis and Ashley Hay will enjoy this tenderhearted story of sinner, saints, and redemption. ” --Booklist “ Alexander has clearly done his homework. Chilling in its realism, his work depicts the improprieties long abandoned by the Catholic Church and only recently acknowledged. Fans of the book and film *Philomena* will want to read this. ” --Library Journal

Novel based on the diaries of Anita Delgado, 1890-1962, the late princess of Kapurthala.
