It's a standalone book with a new POV heroine, but it's related to her earlier books Someone Else's Fairytale and Nobody's Damsel. After reading the first few chapters of this book and loving them, I was so intrigued by references to those earlier story lines, I actually stopped and read the earlier books first, before coming back to Break It Up.

Chloe didn't set out to be famous, but her marriage to Hollywood A-lister, Jason Vanderholt, made her a celebrity by association. Jealous and nosy fans heckle her in public and the tabloids portray her as cold, arrogant, and unworthy of her husband. As bad as that is, it's about to get a whole lot worse. Her brother, Chris, is being paroled from prison, where he has been serving time for shooting and nearly killing Chloe when she was a child. This is not a situation that she wants splashed all over the headlines, especially because this could incite her brother to try to finish the job. When Chloe gets word of a string of crimes that might be tied to her brother, she finds she has yet another enemy: their father, Dr. Winters. He refuses to cooperate with Chloe's security team and even gives the police a hard time when they try to investigate. The one ally Chloe has in her own family is her half-sister, Beth, a public prosecutor intent on bringing Chris to justice. Her approach is so aggressive that everyone from Chloe's security specialist to the police detective insists that she is doing more harm than good. Beth assures Chloe that her way is the only way that will work, which leaves Chloe to decide whether to trust the experts, or the sister she barely knows. The wrong choice puts her very life in danger.

“I am thrilled to know that The Complete Book of Everyday Christianity is being relaunched. A well-worn first edition of this book sits next to my office desk and I consult it often. There is no better collection of everyday issues examined from a Christian perspective. A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives, informed by thoughtful biblical and theological reflection. This is a wonderfully useful tool. I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life.” — Alistair Mackenzie, Senior Lecturer: School of Theology, Mission and Ministry, Laidlaw College, Christchurch, New Zealand. Also Director of Faith at Work (NZ)

This issue is themed around yellow: the color of my skin, my namesake, the color used to describe four billion plus Asians, and this doesn't even account for the diasporic population. Yellow, the color of diseased skin and diseased people. Yellow, the color of aging. All these denigrations contained in one color, none of which actually resemble the color itself. Because yellow is bright. It is electric. It inspires. And the works in this issue are as effulgent as yellow itself, but lurking—as yellow always lurks—is something sinister and bold, the color forcing itself up and out, revealing, transforming. Yellow yields metamorphosis.
