Prepare for the GMAS Math test with a perfect workbook! GMAS Summer Math Workbook is a learning math workbook to prevent Summer learning loss. It helps students retain and strengthen their Math skills and provides a strong foundation for success. This workbook provides students with a solid foundation to get ahead starts on their upcoming school year. GMAS Summer Math Workbook is designed by top test prep experts to help students prepare for the GMAS Math test. It provides test-takers with an in-depth focus on the math section of the test, helping them master the essential math skills that test-takers find the most troublesome. This is a prestigious resource for those who need extra practice to succeed on the GMAS Math test in the summer. GMAS Summer Math Workbook contains many exciting and unique features to help your student scores higher on the GMAS Math test, including: Over 2,500 standards-aligned math practice questions with answers Complete coverage of all Math concepts which students will need to ace the GMAS test Content 100% aligned with the latest GMAS test Written by GMAS Math experts 2 full-length GMAS Math practice tests (featuring new question types) with detailed answers This Comprehensive Summer Workbook for the GMAS Math is a perfect resource for those GMAS Math test takers who want to review core content areas, brush up in math, discover their strengths and weaknesses, and achieve their best scores on the GMAS test. Published By: The Math Notion [www.mathnotion.com](http://www.mathnotion.com)

The first three novels that, in 1887, introduced the world to Sherlock Holmes and his partner, Dr. John Watson, who would go on to become two of the most widely admired

characters in all of literature, are presented here in one hardcover volume. 10,000 first printing.

Confronting Animal Abuse presents a powerful examination of the human-animal relationship and the laws designed to protect it. Piers Beirne, a leading scholar in the growing field of green criminology, explores the heated topic of animal abuse in agriculture, science, and sport, as well as what is known, if anything, about the potential for animal assault to lead to inter-human violence. He convincingly shows how from its roots in the Irish plow-fields of 1635 through today, animal-rights legislation has been primarily shaped by human interest and why we must reconsider the terms of human-animal relationships. Beirne argues that if violations of animals' rights are to be taken seriously, then scholars and activists should examine why some harms to animals are defined as criminal, others as abusive but not criminal and still others as neither criminal nor abusive. Confronting Animal Abuse points to the need for a more inclusive concept of harms to animals, without which the meaning of animal abuse will be overwhelmingly confined to those harms that are regarded as socially unacceptable, one-on-one cases of animal cruelty. Certainly, those cases demand attention. But so, too, do those other and far more numerous institutionalized harms to animals, where abuse is routine, invisible, ubiquitous and often defined as socially acceptable. In this pioneering, pro-animal book Beirne identifies flaws in our traditional understanding of human-animal relationships, and proposes a compelling new approach.

Edwin Morgan was appointed Poet Laureate of Glasgow in 1999, and many of these poems reflect the life of the city both now and in the past. But equally the poetry moves to other places and other worlds. A sequence of poems about a demon allows the mind to expatiate on a wide range of subjects, social, psychological, philosophical. Some of the poems have been set to music, both jazz and classical. In many ways it is a book of voices and observation, a book of accessible storytelling.

Whether it's sleek leather pants, a shiny new Apple computer, or a designer toaster, we make important decisions as consumers every day based on our sensory experience. Sensory appeals are everywhere, and they are intensifying, radically changing how Americans live and work. The twenty-first century has become the age of aesthetics, and whether we realize it or not, this influence has taken over the marketplace, and much more. In this penetrating, keenly observed book, Virginia Postrel makes the argument that appearance counts, that aesthetic value is real. Drawing from fields as diverse as fashion, real estate, politics, design, and economics, Postrel deftly chronicles our culture's aesthetic imperative and argues persuasively that it is a vital component of a healthy, forward-looking society. Intelligent, incisive, and thought-provoking, *The Substance of Style* is a groundbreaking portrait of the democratization of taste and a brilliant examination of the way we live now.

NEW YORK TIMES BESTSELLER □ NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE, USA TODAY, AND CHICAGO TRIBUNE □ A masterly work of literary journalism about a senseless murder, a relentless detective, and the great plague of homicide in America NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST □ NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review □ The Washington Post □ The Boston Globe □ The Economist □ The Globe and Mail □ BookPage □ Kirkus Reviews On a warm spring evening in South Los Angeles, a young man is shot and killed on a sidewalk minutes away from his home, one of the thousands of black Americans murdered that year. His assailant runs down the street, jumps into an SUV, and vanishes, hoping to join the scores of killers in American cities who are never arrested for their crimes. But as soon as the case is assigned to Detective John Skaggs, the odds shift. Here is the kaleidoscopic story of the quintessential, but mostly ignored, American murder—a “ghettoside” killing, one young black man slaying another—and a brilliant and driven cadre of detectives whose creed is to pursue justice for forgotten victims at all costs. *Ghettoside* is a fast-paced narrative of a devastating crime, an intimate portrait of detectives and a community bonded in tragedy, and a surprising new lens into the great subject of why murder happens in our cities—and how the epidemic of killings might yet be stopped. Praise for *Ghettoside* “A serious and kaleidoscopic achievement . . . [Jill Leovy is] a crisp writer with a crisp mind and the ability to boil entire skies of information into hard journalistic rain.”—Dwight Garner, *The New York Times* “Masterful . . . gritty reporting that matches the police work behind it.”—*Los Angeles Times* “Moving and engrossing.”—*San Francisco Chronicle* “Penetrating and heartbreaking . . . *Ghettoside* points out how relatively little America has cared even as recently as the last decade about the value of young black men’s lives.”—*USA Today* “Functions both as a snappy police procedural and—more significantly—as a searing indictment of legal neglect . . . Leovy’s powerful testimony demands respectful attention.”—*The Boston Globe*
