Sourcing Solutions Hangers is a comprehensive guide to strategic sourcing. It covers the entire process from identifying needs to negotiating contracts. The book is organized into four parts: strategic decisions; operational management of procurement and related supply chain; management of human resources and dedicated information systems; management of performance and change. This book has been written with a comprehensive global and coherent approach but the chapters are self-standing, enabling the reader to dip into different sections according to need. Strategic Sourcing Management considers both tactical and strategic perspectives that link with a corporate strategy and it includes dedicated chapters on how to set up a Strategic Sourcing function. The text is enriched with clear graphics and solid examples of best practice. Strategic Sourcing Management is a robust text based on both research and experience, so an essential reference for practitioners and academics working in or studying procurement and supply management. It is suitable for anyone involved in procurement and supply management at a senior level but also for general management enabling them to understand the mechanisms of value creation through Strategic Sourcing.

Buy fewer (and better) things. Store like with like. Get rid of the plastic. Display—don't stash—your belongings. Let go of your inner perfectionist and remember that rooms are for living. These are a few of the central principles behind Remodelista: The Organized Home, the new book from the team behind the inspirational design site Remodelista.com. Whether you're a minimalist or someone who takes pleasure in her collections, we all yearn for an unencumbered life in a home that makes us happy. This compact tome shows us how, with more than 100 simple and stylish tips, each clearly presented and accompanied by full-color photographs that are sure to inspire. Readers will learn strategies for conquering their homes' problem zones (from the medicine cabinet to the bedroom closet) and organizing tricks and tools that can be deployed in every room (embrace trays; hunt for unused spaces overhead; decant everything). Interviews with experts, ranging from kindergarten teachers to hoteliers, offer even more ingenious ideas to steal. It all adds up to the ultimate home organizing manual.

This guide deals with the dynamics of the global textiles and clothing supply chain, including the need for garment manufacturers to develop alternative sourcing and supply management approaches. The publication reviews historical background; discusses China's advantage in the international garment industry; explains different stages involved in material sourcing process; and discusses politics of trade. It also includes case studies; summary of United States rules of origin; measures and conversions, and a glossary of shipping and related terms.

Reece Tassicker has a dream about a number he needs to remember. When messages for him start appearing in books, he learns that his future activities are being predicted - to the precise minute. And that someone is mysteriously using this knowledge to influence events in his life. As Reece starts to out-think the people who can control his life, he learns there are chinks in our reality that allow us discrete glimpses behind the true nature of the universe. Because our reality isn't quite as real as we think it is. He develops new thinking techniques to help understand what's happening to him. But as Reece Tassicker gets closer to the truth, the mysterious individuals decide to eliminate him from their future plans. Permanently. The Delicate Force is an unusual half-fact, half-fiction thriller with a remarkable non-fiction ending. The facts are so extraordinary that it needs a fictional plot to help you to believe they really are true. Read The Delicate Force and be prepared to think about reality differently - for the rest of your life.

Book 2 in the Full Moon series Declan Hall has got everything covered this time around. He is going to make sure that being Alpha is easy, with or without help from anyone. No one's going to tell this guy how to handle anything; not Gabriel, or anybody else, for that matter. This time he is in charge. No arguments, its or buts. That's certain! That is until... he meets a woman werewolf who wants to have her own way. Headstrong about absolutely, positively everything. She's the alpha type and she leads by full coercion. A no-holds-barred kind of feminine... a persuasive, narcissistic force to be reckoned with. Declan definitely did not see her coming. So, why isn't Noelle talking to him? Everything was sweet as... before. Relationships should never be this damn hard. Werewolves are pack animals, aren't they? Let's go hunting... it's anyone's game...

Remodelista.com is the go-to, undisputed authority for home design enthusiasts, remodelers, architects, and designers. Unlike sites that cater to all tastes, Remodelista has a singular and clearly defined aesthetic: classic pieces trump designs that are trendy and transient, and well-edited spaces take precedence over cluttered environments. High and low mix seamlessly here, and getting the look need not be expensive (think Design Within Reach meets Ikea). Remodelista decodes the secrets to achieving this aesthetic, with in-depth tours and lessons from 12 enviable homes; a recipe-like breakdown of the hardest-working kitchens and baths; dozens of do-it-yourself projects; The Remodelista 100, a guide to the best everyday household objects; and an in-depth look at the ins and outs of the remodeling process. In a world of design confusion, Remodelista takes the guesswork out of the process.

Sebastian Boa defies all the rules. There isn't a woman who doesn't want the notoriety of being in his bed. When he crosses paths with Mariss Red at one of his clubs, his interest is quickly piqued, and he sets out to make a play for the confident beauty. But Mariss is married, and she has no desire to lose what she loves for a one night stand with the indulgent playboy. When an attempt is made on Mariss' life, Sebastian rushes to her side. Those closest to him know that it's only a matter of time before his new infatuation causes him to crash and burn. For a man who lives on the edge, the Rules of the chase become clear at the start. If he wants to win Mariss, he will have to play on her turf. Boundaries and all. The harder Sebastian tries, the more Mariss refuses, and the harder it gets to keep his control. The Man Without Rules finds himself changing to be worthy of the one woman who has ever told him no.

The process of user-centered innovation: how it can benefit both users and manufacturers and how its emergence will bring changes in business models and in public policy. Innovation is rapidly becoming democratized. Users, aided by improvements in computer and communications technology, increasingly can develop their own new products and services. These innovating users—both individuals and firms—often freely share their innovations with others, creating user-innovation communities and a rich intellectual commons. In Democratizing Innovation, Eric von Hippel looks closely at this emerging system of user-centered innovation. He explains why and when users find it profitable to develop new products and services for themselves, and why it often pays users to reveal their innovations freely for the use of all. The trend toward democratized innovation can be seen in software and information products—most notably in the free and open-source software movement—but also in physical products. Von Hippel's many examples of user innovation in action range from surgical equipment to surfboards to software security features. He shows that product and service development is concentrated among "lead users," who are ahead on marketplace trends and whose innovations are often commercially attractive. Von Hippel argues that manufacturers should redesign their innovation processes and that they should systematically seek out innovations developed by users. He points to businesses—the custom semiconductor industry is one example—that have learned to assist user-innovators by providing them with toolkits for developing new products. User innovation has a positive impact on social welfare, and von Hippel proposes that government policies, including R&D subsidies and tax credits, should be realigned to eliminate biases against it. The goal of a democratized user-centered innovation system, says von Hippel, is well worth striving for. An electronic version of this book is available under a Creative Commons license.

The Summer Lake contemporary romance series follows a group of friends from a small lakeside town in the California hills. They have kept in touch over the years and now, in their early thirties, their lives are drawing them back to Summer Lake and to each other. Love Like You've Never Been Hurt Emma Douglas came to Summer Lake as an orphan twenty three years ago. After losing her parents so young and later suffering a disastrous marriage, she believes that love only ever leads to pain and loss. When she meets Jack Benson, the business partner of her childhood friend Pete, she sees everything she used to long for in a man; tall, dark, and drop dead gorgeous! Despite their undeniable attraction, Emma is too scared to risk her heart, especially on a man so much like her ex - sexy, smart, funny, successful and no doubt the same kind of cheat! When events lead them both to Summer Lake for the summer, will Jack be able to persuade her that he's nothing like her ex in all the ways that really matter? That the love she used to dream of isn't a little girl's fantasy, but a reality they can share if she can get past her fear and learn to trust? This book is intended for adult readers 18+ ***** Each Summer Lake Romance can be read as a stand alone book - no cliff hangers here! Each book contains one couple's story. However, they are best read in order to get full enjoyment of the underlying story and friendships. Book 1: Love Like You've Never Been Hurt - Emma and Jack Book 2: Work Like You Don't Need the Money - Pete and Holly Book 3: Dance Like Nobody's Watching - Misy and Dan Book 4: Fly Like You've Never Been Grounded - Smoke and Laura Book 5: Laugh Like You've Never Cried - Michael and Megan Book 6: Sing Like Nobody's Listening - Kenzie and Chase Book 7: Smile Like You Mean It - Gabe and Ren é e Book 8: The Wedding Dance - Misy and Dan's Wedding Book 9: Chasing Tomorrow - Ben's backstory with Charlotte Book 10: Dream Like Nothing's Impossible - April and Eddie Book 11: Ride Like You've Never Fallen - Nate and Lily Book 12: Live Like There's No Tomorrow - Ben's story Book 13: The Wedding Flight - Smoke and Laura's Wedding Remington Ranch series Meet the sexy brothers of Remington Ranch! Just like in SJ's Summer Lake Romance series you can expect a story that is both sweet and steamy! Book 1: Mason Book 2: Shana Book 3: Carter Book 4: Beau Book 5: Four Weddings and a Vendetta A Chance and a Hope series These are NOT meant to be read as standalone stories and need to be read in order. Book 1: Chance Encounter Book 2: Finding Hope Book 3: Give Hope a Chance The Hamiltons Series This series follows the Hamilton family in California wine country. If you recognize the name Hamilton it's because this is Smoke's family who own one of the largest wine growing and distribution businesses in the country. In this set of connected stand-alone books you will meet Smoke's brother and sister as well as a couple of cousins. Book 1: Red Wine and Roses Book 2: Champagne and daisies Book 3: Marsala and Magnolias Book 4: Prosecco and Peonies The Davenport Series The upcoming series featuring Hope's cousins, the sexy brothers, of the Billionaire Davenport family. Book 1: Oscar Book 2: TJ Book 3: Reid Summer Lake Seasons A return to the wonderful small town so many readers have grown to love. We'll see our old friends around town and they'll feature to a greater or lesser extent in the new stories. I want you to be able to catch up on their lives if you know them - and to not feel like you're missing anything if you didn't read the original series. Angel and Luke in Take These Broken Wings
