In the heart of Ohio, Jessie Shimmer is caught up in hot, magic-drenched passion with her roguish lover, Cooper Marron, who is teaching her how to tap her supernatural powers. When they try to break a drought by calling down a rainstorm, a hellish portal opens and Cooper is ripped from this world, leaving Jessie fighting for her life against a vicious demon that's been unleashed. In the aftermath, Jessie, who knows so little about her own true nature, is branded an outlaw. She must survive by her wits and with the help of her familiar, a ferret named Palimpsest. Stalked by malevolent enemies, Jessie is determined to find out what happened to Cooper. But when she moves heaven and earth to find her man, she'll be shocked by what she discovers—and by what she must ultimately do to save them all.

Hell hath no fury like a goddess scorned. When Jessie Shimmer traveled to a nightmare underworld to save her lover, Cooper Marron, she gained magical powers . . . which soon seemed more like curses. Her beloved familiar, the ferret Pal, became a monster. Her enemies multiplied like demons. Worst of all, she hasn ' t found a moment of peace to be with the man she adores. Now a switchblade-wielding demigoddess commanding a private hell stocked with suffering innocents is after her. The blademistress ' vengeance sends Jessie and Pal on a dark journey through strange, perilous realms. Their quest for salvation will push her newfound abilities—and her relationship with Cooper—to the breaking point . . . and beyond.

Lucy Snyder ' s stories are the sort that carry you away to unusual places, usually dark ones, and this collection is a perfect example. As the follow-up to the Bram Stoker Award winning collection Soft Apocalypses, it contains plenty of darkly imaginative tales. Many of these stories, including the title piece, are heavily influenced by the work of H.P. Lovecraft and The King in Yellow mythos. They whisper madly among each other creating weird echoes. Like the black stars of theoretical astronomy they are dense entities born from polarization so strong that instead of collapsing into nothingness, a black hole, they instead form dark constellations burning dimly with spectral light.

This collection from rising author Lucy A. Snyder offers three dozen poems to delight readers who enjoy sly wordplay and subtle allusion, high intelligence and fierce heart. "Snyder's work is complex yet grounded. You can read it on several levels and it'll work on each and every one. It's lyrical but rooted in authenticity and validity. There's truth here, and tackling the truth is the highest calling of any poet. "She's been through the trenches; she knows the way the world comes down. You can feel it in the work. You're not just looking at words in a book, you're regarding a life that's been opened up and splashed down on the page. This lady is not only courageous, she's fearless. We need more like her to give us that grand plucking of the guts." - Tom Piccirilli, author of The Midnight Road and Waiting My Turn to Go Under the Knife, from his introduction "There is nothing illusory or mechanical about these poems. They take us on a marvelously eclectic journey, with a cast that includes a black hole voicing its thoughts and a dead man coming 'Home For the Holidays.' Read and be dazzled." - Christopher Conlon, author of Mary Falls: Requiem for Mrs. Surratt and Midnight on Mourn Street Winner of the 2009 Bram Stoker Award for Superior Achievement in Poetry.

Master storyteller Lucy A. Snyder has filled her cauldron with everything that Halloween means to her and distilled it into a spell-binding volume of stories. Within these pages you'll find thrills and chills, hilarity and horrors, the sweet and the naughty.
