STABLE short course 11.7-final - Nurse Kathi

If teaching with the 6th edition (© 2013) slide program, the students must utilize the 6th edition (© 2013) manual during the course. This does not mean that the student must own their own manual, but a manual must be provided to each student to use as a resource throughout the course. The student must complete all 32 quiz questions and must pass the Mixed Module post-test (8 questions). S.T ...

Now in a revised and expanded sixth edition, this is the leading text on evidence-based treatments for frequently encountered mental health problems. David H. Barlow has assembled preeminent experts to present their respective approaches in step-by-step detail, including extended case examples. Each chapter provides state-of-the-art information on the disorder at hand, explains the conceptual and empirical bases of intervention, and addresses the most pressing question asked by students and practitioners--"How do I do it?" Concise chapter introductions from Barlow highlight the unique features of each treatment and enhance the book's utility for teaching and training. New to This
