Dotti Review: I expected to like this book. I did not expect to be hooked! This series is, quite simply, the best historical fiction I have ever read. I'm in love with the characters, I can't sleep because I'm too busy reading, I have learned more than I ever thought possible, and I've been inspired to become a better person. My advice to you? READ THEM! ~ Jeri Storm Clouds Rolling In is the first book in the ongoing Bregdan Chronicles historical novel series. It's readers like you who have turned it into a world-wide best-seller. Chronicles 1 Ginny Dye

Book Description: Carrie Cromwell comes of age as the dark clouds of the Civil War swallow the country. Born with a fiery spirit and a strong mind, this strong woman finds herself struggling between the common wisdom of the South and the devastating truth she has discovered. The activities of the Underground Railroad and her close friendships with the Cromwell Plantation slaves create agonizing choices. But when her decisions put her at odds with her heritage, and challenge her dreams, will she be able to give up all that is precious

This first book of The Bregdan Chronicles historical fiction series will pull you in and never let you go. You'll experience the Civil War era (and all the years to come) through the eyes of both White and Black, free & slave, Southern & Northern - and you'll fall in love with every character. How many books will there be? Ginny has no idea - she intends to write these character's stories for as long as she can! Review: I never thought I would find a series to enthrall me like The Bregdan

Chronicles has. I was wrong!
I am struggling to find appropriate words to describe the awe I am in, and I find myself failing miserably. I absolutely could not put these books down. I would finish one, and immediately hop online to go get the next one....sometimes in the wee hours of the morning, when my tail should have been asleep. The writing style of this author brings you right into the story as if you are a part of it. She has amazing talent to capture the imagination, and bring you right into a virtual reality. I have fallen in love with every one of these

Chronicles - 1 Especially the strong women! - and have become completely entranced with each life represented. The historical account of this time period was so right on, so very vivid, you almost feel like you've walked right into it. These books became so alive, I actually had dreams at night of battle. (I'm not even kidding.) But it goes further. There were conversations in these books that had me reading over them several times. Life lessons. Sage advice. The kind of wisdom that comes from every day life. Moments that were so profound, they pierced my heart with an

accuracy that I can't even begin to explain. Many times, the lives and hearts of each character were changed and rocked with revelation that came about in a moment, yet, so deeply touching the deepest recesses of the heart, that you can't go beyond it, without it having changed you as well, as you read it. Thank you Ginny Dye...not only for an amazing journey....but for those light bulb moments, throughout each book, that reached beyond the pages, and made their home inside the soul. What can I say overall? Well, let me put it like this: these

Chronicles! Ginny Dye books are like... "Gone with the Wind" meets up with "Eat, Pray, Love"; then whispers some "Secret life of Bees", forges some "Steel Magnolia's", and at times, wraps itself with the "Color Purple." Sigh. Did I mention how much I loved these books?

Ginny Dye's cast of characters are the kind of people you'd like to know personally. Her leading lady, Carrie Cromwell is not your typical 'Southern Belle'; she's a free thinker, ahead of her time in a world of war and madness. Our author is not afraid to use divine, spiritual beliefs to bring common sense and sanity to the backward, inhumane thinking of the times leading up to the Civil War.

I'm not usually a reader of American historical fiction, but this one was terrific. I couldn't put the book down. I can't wait to read the next one.

Review: I enjoyed this book as much as the first in this historical fiction series. Ginny, you are a wonderful

Writer. I get so engrossed in your Chronicles that I cannot put my Kindle down. I have gotten so connected with the characters and the history is superb. I have already purchased the next and really shouldn't start on it now if I plan to sleep tonight! Thanks! Review: Ginny Dye delivers again!!!! What a fabulous book!!! This book carried more suspense than the first book, as it should!! The author is taking on the Civil War in a way I have never read before. The author is covering every aspect of the Civil War. South perspective, slave perspective, North

Access Free Storm Clouds Rolling In Bregdan

perspective, abolitionist perspective, and some I would never have dreamed of. These books are thought provoking and uplifting. The author reels you in and you feel everything! You can just see the smoke of gunpowder hanging over the battles, you could feel Ike Adams' hatred. I could say so much more, but "Spring Will Come" (book #3) has finished downloading. I must continue with this absolutely phenomenal series! Review: This is the second book in the Bregdan Chronicles and in my opinion, the series just keeps getting better! I'm not usually a fan of a

Access Free Storm Clouds Rolling In Bregdan

series, but I'm hooked on this one. The individuals from the first book just keep getting more stimulating. Their storyline, as well as their characters, keep evolving. Add to that, the introduction of new individuals and scenarios and you have the recipe for a book that you can't put down. Again, this book comes with a high recommendation from me. All ages will enjoy. It could be read separately from the first because the background is expanded on sufficiently enough that you could pick up the plot, but I do recommend starting with the

This book attempts to understand Calvin in his 16th-century context, with attention to continuities

and discontinuities between his thought and that of his predecessors, contemporaries, and successors. Muller pays particular attention to the interplay between theological and philosophical themes common to Calvin and the medieval doctors, and to developments in rhetoric and method associated with humanism.

Follows the Bregdan family as they deal with racism and violence in post-Civil War Virginia.

Very early in her career Sylvia Townsend Warner won recognition of a discerning

Group of writers and readers on both sides of rare imagination and originality increased with each new publication. In addition to publishing some twenty books she wrote thousands of letters, mainly to close friends and acquaintances, and these quite naturally provide a record of almost fifty years of the writer's life. As the editor of the selection says, she had a connoisseur's eye for the bogus and a hatred for assumptions of privilege – her heart was with the hunted, always, and her deep understanding of human behaviour makes the whole a remarkably compassionate

Above all, apart from their intrinsic interest and literary quality, Miss Warner's letters reveal the special brand of wit and humour that pervades every word she writes.
