Nonfiction Book Review: Straw Dogs: Thoughts on Humans and ...

Straw Dogs is an attack on the unthinking beliefs of thinking people. Today liberal humanism has the pervasive power that was once possessed by revealed religion. Humanists like to think they have a rational view of the world; but their core belief in progress is a superstition, further from the truth about the human animal than any of the world's religions.

Straw Dogs: Thoughts On Humans And Other Animals - by John ...

For the men and women of today, an irrational faith in progress may be the only antidote to nihilism. Without the hope that the future will be better than the past, they could not go on." ? John Gray, Straw Dogs: Thoughts on Humans and Other Animals. 34 likes.
